Roll of Honour of Godhelmians who served in His Majesty's Forces, including Women who served abroad, during the First World War.

The First World War (1914—1918) Roll of Honour for Godalming Borough Council was created in 1919 by Norah Easterbrook who was a student at the Godalming College of Art. As far as was able, with the information available at the time, it lists all those Men who served in His Majesty The King's Armed Forces, including Women who were serving abroad, between 4 August 1914 and 11 November 1918 and who came from Godalming.

As much information as was available on where they lived in Godalming and their service in the Armed Forces was included in the Roll of Honour. Those who were missing or killed in action had their entry made in blue ink.

The original Roll of Honour is kept in the archive of Godalming Museum.

Godalming Joint Burial Committee are grateful to Godalming Museum for photographing the individual pages of the Borough of Godalming Roll of Honour from which this facsimile has been produced.
