REVIEW

Hello – and welcome to Godalming Town Council's 2010/11 Annual Report.

Godalming Town Council has been around in one form or another since 1575. The organisation of Local Government has changed over the years and today Godalming Town Council is the third in three tiers of local government for the town. The other two being Surrey County Council and Waverley Borough Council.

Godalming Town Council has 20 Councillors representing the five wards within the town – you can find Councillors' contact details at the back of this report. The Town Council has a number of roles, one of the most important of which is to foster and encourage a sense of community in the Town and to act as advocate for the town when dealing with other local authorities, the health service and so on. I have been elected by my fellow Town Councillors to serve as Mayor for the year to May 2011.

Godalming has developed lasting ties with the village communities that form its rural hinterland and has strong links with Guildford and other neighbouring towns. Godalming is, above all else, a good neighbour and it has been a daily privilege to represent such a special place.

We live in a relatively affluent area of the country but, particularly in the current economic climate, many are in need of friendship and support to help them through tougher times. We have ever more reason to be grateful for Godalming's formidable body of local volunteers.

I am proud to have witnessed how the Town Council has continued to work so well supporting local people who do so much to help others. Mayors gain a rare overview of how the town functions, how it communicates internally and develops useful areas of interdependence. It has been evident that partnership working has been a real theme this year.

Our Town Council achieved Quality Council status in 2010 and was able to make a strong submission by demonstrating its greater involvement and communication with local people.

We have seen active support for Godalming Staycation, providing a week of tremendous summer activities for families at home in the holidays.

Another important partnership development has been through the Council's financial contribution to support the Community Interest Company (CIC) in taking forward the work of the Godalming Healthcheck.

The Chamber of Commerce has continued to work in close partnership with local and Borough Councils and the CIC. Their expertise has enhanced the commercial life and

vitality of the town. Who will forget the unprecedented high street crowds for the food festivals and the Christmas lights?

A great deal of my work as Mayor this year has involved young people supported through the Scout and Guide movement, sports clubs and activity groups, in and out of school. Local churches have also continued to underpin so much of our community life and, along with our schools, they have been generous hosts, providing performance space for the music making and drama that form the rich cultural life of our town.

During my year it has been evident that Godalming does not just look inwards. We do not lose sight of the bigger picture and I have enjoyed meeting the groups from our twin towns of Mayen and Joigny who have formed great friendships with our local twinning groups. We also have passionate people who support others in need right across the world, from those dedicated to supporting the Palestinian farmers, to the recent Japanese tsunami appeal at the Pepperpot raising £4,000 in a single morning.

The Town Council continues to take good care of its buildings and grounds, taking very seriously the role it has to play in ensuring that Godalming remains a beautiful place. I have been able to help promote the Pepperpot Appeal and seen firsthand the excellent renovations already carried out to keep our iconic town centre building in excellent repair. The Town Council also acts as an effective advocate for local people concerned by the scale of proposed development at the key site. The care taken to scrutinise planning issues and provide opportunities for local people to express their views will be an important part of the Council's work again in the coming year.

As I finish my year, I can look back with great affection and appreciation for the support the Town Council receives from its professional staff and the community volunteers who help us all to make Godalming so special!

Councillor Jane Thomson
Mayor of Godalming 2010/11

Christmas in Godalming 2010

For 2010/11 Godalming Town Council agreed that it had three priorities for the town:

Bearing these priorities in mind here are some of things that Godalming Town Council has achieved in the past year. We have:

- Welcomed a new Facilities & Cemeteries Manager
- Re-opened the Old Town Hall (popularly known as The Pepperpot) following £100,000 of exterior renovation work
- Renewed Godalming town centre's Christmas Lights with more energy-efficient LED lights

GRANTS

As already stated, in the past year Godalming Town Council has supported numerous organisations in the town with grant aid totalling more than £62,000. This is an important part of the Town Council's work recognising the huge contribution that these organisations make to the quality of life in our community. In recent years the Council has increased the amount of money available for grants.

In 2010/11 the largest of these grants was to the Waverley Citizens Advice Bureau (CAB) to ensure the continued provision of a CAB service in Godalming and to facilitate the Bureau's move from Queen Street to Bridge Street. This Council has provided a significant grant to the CAB for more than a decade.

Substantial sums have been used to support the work with young people including a grant to Our Community Street Team to provide a mobile facility for youth work in Farncombe and grant aid in kind for the Trinity Trust Team to enable them to run Café Trinity at the Wilfrid Noyce Centre.
