439. UPDATE FROM WORKING GROUPS

Members considered updates from the working groups and noted the following:

That Navigus Planning have been instructed to draw all the groups' reports together into a draft Neighbourhood Plan and that the deadline for the draft is 31 March 2017.

That Navigus Planning have indicated that some of the work might be subcontracted to their associates. Some concern was expressed at this because of fears about consistency in advice, but it was also observed that the contract remains with Navigus and that they have responsibility for quality assurance and indeed that at some points it might be helpful to have fresh eyes look at our findings.

The Transport Group's report was with Navigus Planning

The Heritage & Design Group have involved Navigus in their deliberations so consistently that although their report is not quite complete Navigus have expressed that they are happy with that situation. Mrs Talbot reported that she has a large number of photographs to caption as evidence. The Town Clerk asked if any administrative help could be offered.

The Environment Group's report is with Navigus Planning.

The Economy Group's report is with Navigus Planning

The Community & Infrastructure's report will be with Navigus Planning shortly

The Housing Group will ensure that Navigus has a Dropbox link to their report and supporting evidence.
