What is it that would tempt you to move?

32 affordable family housing!
There are proposed flats to be built (3 storey) in the garden of next door which will be looking into our bedroom window (planning permission request just gone in - Green Lane) and if this goes through we would want to move

What are the key features you would be looking for?

4 bedrooms,
nice garden,
located in safe area/road
for young family, walking
distance to train stations for travel to work.

but financially not viable.
So a big no to squeezing high rises in existing plots.

Green Lane, Farncombe, 4 bedroom semi-detached. Would be lovely property if not for the proposed flats being built metres away from us. Lovely trees have already been cut down in preparation ☹️
