Apologies for absence were received and recorded as above.

258. PETITIONS/STATEMENTS/QUESTIONS FROM MEMBERS OF THE PUBLIC

Mr JM Chipchase of Busbridge Lane asked to make a statement and ask a question in accordance with Standing Order No 4. The Chairman elected to hear the statement and the question at this point in the agenda and the question and the Chairman’s response are detailed below:

Question:

“Planning application WA/2015/1159 was the subject of a "no objection" response from Godalming Town Council and was refused by Waverley. It has gone to appeal. The appeal papers refer to the “no objection” by Godalming Town Council and attempt to give weight to such a position. Are you prepared to re-consider your previous position and if the opportunity arises express your objection to the proposal?”

Answer:

“Planning application WA/2015/1159 was considered by this Committee on 2 July 2015 and you correctly observe that this Committee made no objection. The Town Clerk advises that the appeal papers relating to this application do refer to the Town Council’s “no objection” and that in her view this arises because the applicant felt the need to refute the Waverley Borough Council Planning Officer’s report which erroneously indicated that the Town Council had objected.

Regrettably, I am unable to answer either part of your question in full today. This is because this Committee is unable to debate and decide upon matters that are not detailed in the published agenda.

You ask whether this Committee is prepared to re-consider its previous position. This Committee has no mechanism for revisiting previous decisions except where there is a new or amended planning application. Indeed Section Eleven of our Standing Orders (dealing with rescission of previous resolutions) indicates a general presumption against revisiting a previous decision within six months of that decision.

Having considered the matter I think the Council should take the opportunity to debate the principle of whether or not it will re-consider previous decisions in circumstances like these and I am asking the Town Clerk to add this matter to the agenda for the next meeting of Full Council to be held on 19 November 2015 at which meeting there are a number of issues relating to Standing Orders to be discussed. Depending upon the decision of that Full Council meeting this Committee may take the opportunity to reconsider this specific application on 26 November when the details of the appeal, which were received this morning from Waverley Borough Council, will be listed on the agenda.”

259. DISCLOSABLE PECUNIARY INTERESTS AND NON-PECUNIARY INTERESTS

Councillor Noyce declared a non-pecuniary interest in Agenda Item 5 Schedule No 8 (WA/2015/1926) on the grounds that the applicants are clients of hers. Councillor Noyce remained in the chamber when that agenda item was discussed.

The comments and observations from the following Waverley Borough Councillors were preliminary ones prior to consideration at Borough Council level and were based on the evidence and representations to the Town Council.

Cllr P Martin	Cllr RA Gordon-Smith
Cllr Reynolds	Cllr Wheatley
Cllr Thornton	Cllr Williams
Cllr Bolton	Cllr Hunter
