GODALMING TOWN COUNCIL GRANTS FOR COMMUNITY BENEFIT

Godalming Town Council's grant scheme awards funds to organisations who provide benefits to the Godalming community.

In the latest round of grant awards Waverley Borough Council received £500.00 from the General Grants Fund to assist with the running of the Specsavers Surrey Youth Games. The aim of the Games is to encourage young people to develop their sporting skills and promote physical activity and fair play in sport, with particular focus on the introduction of sports to children who are beginners. The Games allow young people to come together and socialise through sport and by using local coaches connected to clubs, provide pathways encouraging integration into local clubs. The Town Council's funding will assist towards the training and weekend event to be provided to participants free of charge.
