CHRISTMAS LIGHTS UP IN FARNCOMBE

On Friday, 6 December the Farncombe Christmas lights were switched on by the Mayor of Godalming, Councillor Penny Rivers. Godalming Town Council was delighted that once again the Farncombe Day Centre played host to the event and visitors were treated to a performance from the Godalming Theatre Group who took time off from their busy pantomime schedule to sing some Christmas songs.

Godalming Round Table arrived with its illuminated sleigh with Santa aboard, which delighted and enthralled the children. Whilst Santa and the Christmas lights were obviously the biggest draw for the children, parents and adults equally enjoyed the mulled wine served by the Natter Café as well as the refreshments provided by the Farncombe Day Centre.

The Town Council is pleased that not only has the light display extended over the last few years, but more importantly so has the community involvement in the event.

Councillor Penny Rivers said "Farncombe's new festive lights are a real delight and Father Christmas came and children danced with joy, thanks to all who organised a lovely family event".

Ends...
