TOWN COUNCIL'S PADDLE POWER FOR THE CANOE CLUB

On Thursday, 5 March 2020, Godalming Town Council's Policy & Management Committee agreed to grant the Godalming & District Scout Canoe Club the sum of £500.00 from the Council's Community Fund to assist in the purchase of replacing 8 worn out canoe paddles. Replacing the paddles is essential in helping to maintain a high standard of canoeing coaching with quality equipment.

This grant is the last to be awarded by the Council for the period 2019/2020.

During 2019/2020 Godalming Town Council has supported a wide range of organisations in the town with grants totalling £57,470. This is an important part of the Town Council's work and recognises the huge contribution that these organisations make to the quality of life in the community.

A full list of grants awarded by Godalming Town Council is published in the Annual Report which can be viewed at <https://godalming-tc.gov.uk/annual-reports/>
