CALL FOR STAYCATION ACTIVITIES

Do you want to get involved in Godalming Staycation 2016? Godalming Town Council is delighted to announce that its seventh Staycation will run from Saturday, 6 August through to Sunday, 14 August 2016 and would like to offer local businesses, clubs and groups the opportunity to be involved.

Staycation is not possible without the generosity of local businesses, community groups and the many talented individuals who give their resources and time to offer Staycation activities to local people. If you are a local business/group and interested in the opportunity of giving the community a chance to try your services or activity, please do get in touch with Suzie Gortler, Godalming Projects Coordinator at projects@godalming-tc.gov.uk by the 30 April 2016.

Staycation is a week of activities arranged by local groups and organisations which are offered to local individuals and/or families who choose to spend all or part of their holiday at home. The type of activities provided during past Staycations have included visiting local tourist sites, swimming or leisure venues, tennis, dancing, theatrical and musical workshops, hiking, cycling, cooking and flower arranging, visits to local historical sites and museums to name but a few.

All activities are co-ordinated by Godalming Town Council and promoted in a dedicated Staycation programme that is distributed to all residents in early July.

Ends...

Notes to editors: Staycation was introduced to Godalming in 2010, last year 50+ activities were arranged for local residents of all ages to try.
