

Procurement Information

The Transparency Code requires that local authorities must publish details of every invitation to tender for contracts to provide goods and / or services with a value that exceeds £5,000.

For each invitation, the following information must be published:

- Reference Number
- Title
- Description of the goods and / or services sought
- Start, end and review dates
- Local Authority department responsible

The Code also requires that local authorities must publish details of any contract, commissioned activity, purchase order, framework agreement and any other legally enforceable agreement with a value that exceeds £5,000.

For each contract, the following information must be published:

- Reference Number
- Title
- Local Authority department responsible
- Description of the goods and / or services sought
- Supplier name and details
- Sum to be paid over the length of the contract or the estimated annual spending or budget for the contract
- Value Added Tax that cannot be recovered
- Start, end and review dates
- Whether or not the contract was a result of an invitation to quote or a published invitation to tender
- Whether or not the supplier is a small or medium sized enterprise and / or a voluntary or community sector organisation and where it is, provide the relevant registration number
