

Have your say

Since 2014 many dedicated residents have spent hundreds of hours and engaged with thousands of local people to gather information and evidence to produce a Neighbourhood Plan that could help shape the future of our community.

Now is your chance to let us know if you agree with the proposed plan. Without your views we won't have a neighbourhood plan that reflects the needs of the town, so it is important that you engage in this process.

What Happens Next – after 11 June we will look at the comments and representations received and where evidence supports it we will make amendments to the plan. The plan will then be submitted for formal consultation. This will hopefully lead to residents deciding in a referendum whether the plan should be adopted.

Regulation 14. The Neighbourhood Planning (General) Regulations 2012
