

GODALMING JOINT BURIAL COMMITTEE

PRESS RELEASE

Blooming Marvellous!

Last night, at The Godalming in Bloom Awards Ceremony, the Godalming Joint Burial Committee was thrilled to receive two Awards for the management of Nightingale and Eashing cemeteries. The award for Nightingale Cemetery was for the Best Managed Community Garden and the Eashing Cemetery Natural Burials area received the award for the Best Wildlife & Wildflower garden.

This is the first time either of the cemeteries have won an award so for them both to win an award is especially pleasing. The Cemeteries Manager Andy Jeffery said "These awards show how, with a lot of hard work and vision, it is possible to create a beautiful and natural environment within the cemeteries. This achievement is due in no small part to the staff of G Burley & Sons at Eashing and Glendales at Nightingale, who take such pride and care in their work. These awards are a true incentive and challenge to maintain and improve on the the high standard we've already achieved."

A third award was also proudly received by Godalming Town Council for the hanging baskets on The Pepperpot. The council thanked the staff of the Van Arnhem Nurseries on Priorsfiled Road, Godalming who planned and prepared the baskets for use at The Pepperpot.

Godalming in Bloom is an annual competition run by the Go Godalming Association; there are three days of judging for the various categories, which range from private gardens to commercial areas.
