

GODALMING TOWN COUNCIL

PRESS RELEASE

MACMILLAN COFFEE MORNING - FRIDAY, 25 SEPTEMBER 2015

In aid of Macmillan Cancer Support and as part of the "World's Biggest Coffee Morning 2015", Godalming Town Council hosted its 15th coffee morning outside the Town Council offices in Bridge Street last Friday, 25 September 2015 where a grand total of £499.05 was raised.

The Town Mayor of Godalming, Councillor Anne Bott said "We were delighted to again join the ever growing Macmillan coffee morning as we set our stall in Bridge Street, Godalming. As we were outside we enjoyed the wonderful weather with home-baked cakes and freshly made coffee. We were joined by many local people and visitors including cyclists from East Horsley. Thank you to everyone who made the event such a success. The fundraising is so important but equally it is an opportunity to show our thoughts and support to everyone who is coping with the physical and emotional aspects of cancer".
