Our aim is to successfully engage with young people by utilising the local skatepark at Aaron's Hill for a community event. To meet this aim, the event will be run during the summer holiday Staycation when young people often need diversionary activities to keep them occupied. By having an organised event, it will be fun for the local youngsters and is a great way to engage and enthuse them to utilise their local facilities whilst encouraging healthy lifestyles and positive past times. Young people are given a place to go and will have something to do. By having a community event we hope to engage youngsters at Ockford Ridge and in turn, contribute to the reduction of anti-social behaviour. Funding received from partners will enable us to employ the services of a specialised skate company with professional riders, thereby adding credibility to our event and offering the young people role models to aspire to.

I submit this application on behalf of the stated Organisation and believe all statements made or enclosed to be true.
