GODALMING TOWN CENTRE AND HIGH STREET FREE ACCESSIBILITY GUIDE

A free accessibility guide aimed at assisting those with mobility issues, especially wheelchair users, has been researched, compiled and created over a number of years by Andrew Crawte, himself a wheelchair user who has visited each business within the guide.

The guide covers accessibility for premises in Godalming Town Centre and is offered as a practical guide for those who find access difficult, especially wheelchair users. The guide, which covers over 100 premises is available online at <https://godalming-tc.gov.uk/accessibility-guide/> with hard copies available from Godalming Museum's Visitor Information Point, Godalming Library and Godalming Town Council offices. It is hoped that residents and visitors with mobility issues will find the guide useful whilst they are in Godalming.

The Town Council would like to thank all those who assisted with bringing the guide to fruition and to Craddocks Printers for producing the guide free of charge.

Andrew Crawte won a Mayor's volunteer award for his work on the accessibility guide in 2018.
