## AGENDA

### 1. MINUTES

The Chairman to sign as a correct record the Minutes of the meeting held on 28 February 2019.

### 2. APOLOGIES FOR ABSENCE

### 3. DISCLOSABLE PECUNIARY INTERESTS AND NON-PECUNIARY INTERESTS

To receive from Members any declarations of interests in relation to any items included on the Agenda for this meeting required to be disclosed by the Localism Act 2011 and the Godalming Members' Code of Conduct.

### 4. ACCOUNTS PAID SINCE LAST MEETING & SCHEDULE OF PAYMENTS

Clerk to report on the accounts paid since the last meeting.

A schedule of the accounts paid will be tabled for the information of Members. The vouchers relating to these payments will also be tabled at the meeting for inspection. All payments made are in line with the agreed budget or other resolution of this Committee or Full Council.

Members to agree that the Chairman should sign the schedule of accounts paid.

### 5. SIGNING OF BANK RECONCILIATIONS

The Committee to consider the tabled monthly bank reconciliations since the last meeting of the Committee and authorise the Chairman to sign them.

Members of the Public have the right to attend all meetings of the Godalming Joint Burial Committee and are welcome.

## 6. BUDGET MONITORING

Members to consider the attached budget monitoring report to 28 February 2019, which shows a year to date surplus of £34,192. Members to note the following points:

- Works on Eashing Cemetery Lodge to replace external doors and repaint windows are now completed. Costs exceeded budget by £5,800 but should be contained within revenue budget (see point below regarding surplus revenue).
- £13,438 surplus revenue from both cemeteries.
- £21,412 underspend on Eashing Cemetery ground maintenance. Some of this will be spent by year end, but there is likely to be a minimum surplus of £15,000 on this line item.
- Invoice for mapping work has been received in March 2019 for £8,505. Min No 42-18 resolved that this work be funded from Ear Marked Reserves, but Officers now believe it can be contained within the revenue budget.

## 7. INTERGRATION OF DIGITAL CEMETERY RECORD SYSTEM

Members will be aware that there are a number of separate but interconnected work strands associated with, or required to facilitate, a digital cemetery record system.

### Scanning of Historic Records

As reported at Min No 60-18, the scanning of the historic cemetery records (1854-2018) has been completed. These records will be uploaded to the GTC server.

### Digital Mapping

The first draft of the Digital Maps of both Eashing and Nightingale cemeteries have been received; these will be available at the meeting for Members to view. Officers will review the maps and report to the providers in order to refine and reach final approved versions.

Once finalised, the ultimate position will be that the digital maps will be associated with the Cemetery Record System.

### RBS Cemetery Record System

As agreed at Min No 59-18, the RBS Cemetery Record System has been purchased and installed. The RFO has undertaken appropriate training and has started to use the system.

For the system to fulfil its full potential and to reach a position to be able to provide the information required for Members to determine whether an application for a faculty, as detailed in Min No 42-18, should be made, all historic data, amounting to some 13,656 burial records of which 5,657 relate to Nightingale Cemetery, will need to be entered into the RBS Cemetery Record System.

### Data Entry

The RFO is, on an ad-hoc basis, entering the historic burial records for Eashing Cemetery starting from the most recent records. However, data entry on this basis is time consuming and not an efficient use of GTC resource. Therefore, it is recommended that a temporary data entry clerk is engaged to complete this piece of work as efficiently and effectively as possible.

It is considered that this work could be completed within 15 to 20 days based on a 6 hour working day at an anticipated cost of £1,200. However, if agreed, Members may wish to approve a reserve of an additional £600 to allow flexibility within the budget to ensure that it is completed as a single project.

8. BURIAL STATISTICS

Statistics for the previous quarter and for the twelve months ending 31 March 2019 are attached for the information of Members.

9. COMMUNICATIONS ARISING FROM THIS MEETING

Members to identify which matters (if any), discussed at this meeting, are to be publicised.

10. DATE OF NEXT MEETING

The next meeting of the Godalming Joint Burial Committee is scheduled to take place on Thursday, 30 May 2019 at 6.00pm in the Council Chamber.

11. ANNOUNCEMENTS

Brought forward by permission of the Chairman. Requests to be submitted prior to commencement of the meeting.
