PRESS RELEASE

For immediate release

STAYCATION IN GODALMING

Godalming Town Council's Staycation for residents of Godalming and its surrounding villages will be running from Saturday, 7 to Sunday, 15 August. Staycation events and activities are suitable for individuals, families and groups of all ages to enjoy.

The Town Council is pleased to welcome back regular favourites such as canoeing, tennis, swimming, fishing, bowling, brass band taster sessions, ballerina workshops including baby ballet and Silver Swans. Also returning to this year's Staycation are boys' and girls' football, including the chance to play on Godalming Town Football Club's pitch, ukulele lessons and gym and swim sessions. For the adults, Godalming Cycle Forum invites you to an Evening Mountain Bike Ride into the Surrey Hills with a stop off at the pub afterwards. Children can enjoy 'party in the park sessions' golf and families can have a go at testing their navigational skills with a special family friendly navigation challenge that gives children a sense of adventure as they explore Broadwater Park to find the markers. There is also a chance to have a go at Karate and free learn to drum workshops.

Mayor of Godalming, Councillor Michael Steel said "After such a challenging time I'd like to thank the many organisations and individuals who have contributed so generously in helping to relaunch the Staycation programme for our residents. Without their generosity of time and resource it would not have been possible to include the wide range of activities for all ages offered during Staycation."

Activities are all free unless it states chargeable.

Please download the Staycation programme at www.godalming-tc.gov.uk/staycation/ or pick up a copy from the Town Council offices at 107-109 High Street, Godalming.

Ends...

Notes to Editors. Godalming Staycation is organised and coordinated by Godalming Town Council. It is a Staycation week for the community of Godalming. It gives the opportunity to try new activities, completely free or heavily discounted.
