

11. BUDGET 2022/23

In preparation of the 2022/23 budget, known factors were applied such as notified contract increases and the Government imposed increase to National Insurance Contributions (NIC). Services with a large labour element (such as cleaning and IT Support) were increased in anticipation of Government NIC increases being passed on to users. In addition, given the current energy crisis, energy costs were also increased. This provided the initial base to which were added the costs of the decisions made by the Council or its committees over the preceding year(s), such as the new Council staffing structure and the decision to provide youth services and engagement.
