11. MOTION ON NOTICE – ITEM FOR DECISION

DEFERRED FROM P&M MEETING ON 10 MARCH 2022

Proposed by Cllr Adams

Motion: For Godalming Town Council to support the post Covid ‘bounce back’ of Staycation Live Music Festival

Members to consider the Motion and if agreed, resolve to approve the implementation of the motion as set out in the Motions recommendation.

Recommendation: In recognising the challenges of recreating the event following its hiatus, the proposer is asking Members to re-iterate their support for the Staycation Live Music Festival and for Members to resolve to agree that in line with the Council’s Community Events and Community Support Policy, the Town Clerk is authorised to support the Staycation organising team to provide general advice and guidance relating to the event management plan, assist in obtaining appropriate licences to support the event programme and as in previous years provide facilities and loan equipment to support the event.

Background:

Staycation Live is a hugely popular and successful annual event, which is the highlight of the local event calendar for many. As an event it appeals to a wide range of residents from families with young children to adults who enjoy the wide range of music and activities provided over the course of the weekend.

Following the cancellation of the 2020 and 2021 events, Staycation Live Music Festival 2022 will be the belated 10th anniversary since Godalming Town Council first began its support for this hugely popular community event. The anticipated programme for Staycation Live Music Festival 2022 will run from Friday 5th to Sunday 7th August:

Friday, 5 August:	Cloisters Lockiedread Stage	music and dance 6pm-11pm
Saturday, 6 August:	Staycation Live Festival Stage	(Bandstand) Midday-7pm
Saturday, 6 August:	Cloisters Lockiedread Stage	music and dance 7pm-11pm
Sunday, 7 August:	Staycation Live Festival Stage	(Bandstand) Midday-7pm

As exemplified by the 2021 Town Show and the Pride in Surrey event held in September 2021, community events such as Staycation Live Music Festival not only provide a community focus and a sense of community well-being, they are also important for the economic well-being of the retail and hospitality sector of the town. As with Staycation Live, neither the Town Show nor Pride in Surrey were held in the town centre, however, between them they averaged a 38% footfall increase in the centre of town when compared to a normal Saturday (Town Show 40%, Pride 36%). It is also reported that the one-day Pride in Surrey event was worth in excess of £300K to the local economy.

Godalming Town Council, through its Godalming Town Centre Area Strategy and Community Events & Community Support Policy has recognised both the economic and community benefit of such events and the role GTC can play, through either direct delivery or partnership support, which can include general advice on format and timing, assistance with road closures, assistance with obtaining appropriate licences and the loan of equipment.

Following the cancellations of 2020 and 2021 due to Covid. The support and assistance from the Town Council for the small, but dedicated Staycation Live Music Festival organising team, is more important than ever.

12. PERFORMANCE INDICATORS – ITEM FOR DECISION

Recommendation: Members to resolve to agree the development of Performance Indicators as set out below and shown in the attached Godalming Town Council Performance Indications 2022/3-2026/27 document.

Definition:

Performance Indicators (PI) express what is wanted to be achieved and by when. They are the quantifiable, outcome-based statements used to indicate whether an organisation is on track to meet specific goals or objectives. The anatomy of a structured PI includes:

- **A Measure** – Every PI must have a measure.
- **A Target** – Every PI needs to have a target that matches the measure and the time period of the goal or objective. These are generally a numeric value.
- **A Data Source** – Every PI needs to have a clearly definable data source so there is no grey area in how each is being measured and tracked.
- **Reporting Frequency** – PI's should have an agreed reporting period and frequency.

Background:

To monitor effectively how the Council is performing, a series of Performance Indicators (PI's) have been identified for council service areas (attached for the information of Members). There are also some indicators that the Council does not have direct control over, such as retail unit vacancies, but are measured nevertheless as the information is useful in determining the overall 'health' of the town. If the Council agrees to the use of PI's, it is suggested they be reported each year as part of the Council's annual report.

Baseline Data:

Members will note that at this stage the baseline data for the PI's has not been included. However, if Members were to agree that they wished to develop PI's that provide Members and residents with quantifiable and verifiable information, it is suggested that the 2021/22 baseline data be provided as part of the development process of the PI's.

Governance:

If agreed, the PI's indicated in the attached document would be taken to a meeting of the relevant committee. It would be for the relevant committee to either endorse, remove, amend, or add appropriate PI's to the Performance Indications 2022/3-2026/27 document, as well as agreeing the initial 4-year target. Once each committee has reviewed the PI's relating to the various service areas, the updated document would then be taken to Full Council for consideration and adoption.

The adoption of PI's would not fetter the ability of any future administration to add, amend, remove, or suspend the use of PI's.

13. COMMUNITY CENTRES – ITEM FOR NOTE

The figures below provide a comparator for occupancy rates in Q1 2022 (1 January-31 March) and the same period in 2021, 2020 and 2019.

It should be noted that except for the Undercroft and the Oglethorpe Room, community buildings were in lockdown between January and March 2021. Additionally, during Q1 2020 the last 17 days of March were subject to the first lockdown. Q1 2019 provides a pre-covid comparator.

The Pepperpot

Pepperpot	Hours Booked Q1 2022	% Used	Hours Booked Q1 2021	% Used	Hours Booked Q1 2020	% Used	Hours Booked Q1 2019	% Used
Undercroft	302	26%	273	23%	270	23%	266	23%
Upper Room	168	14%	85	7%	140	12%	140	12%

Wilfrid Noyce Community Centre

Wilfrid Noyce	Hours Booked Q1 2022	% Used	Hours Booked Q1 2021	% Used	Hours Booked Q1 2020	% Used	Hours Booked Q1 2019	% Used
Caudle Hall	695	59%	51	4%	460	39%	844	72%

Oglethorpe Room	1,170	100%	1,170	100%	150	13%	292	25%

During Q1 2022, the Community Store continued to occupy the Oglethorpe Room. The Community Store is due to move from the Oglethorpe Room to its new home at Broadwater Park over 28 and 29 April 2022

Broadwater Park Community Centre

In September 2021, Broadwater Park was designated as the Broadwater Youth Centre. As the delivery pattern for the youth service is determined, opportunities will exist for use of Broadwater Park Community Centre as an ad-hoc venue. During Q1 2022 ad-hoc use of the centre amounted to 110.5 hours.

Summary

The Pepperpot usage has not only fully recovered, it has also exceeded pre-covid occupancy rates. However, whilst the Wilfrid Noyce Centre has made a strong daytime and weekday evening recovery, weekend evenings' usage currently remains below pre-pandemic levels.

14. COMMUNITY STORE FIGURES – ITEM FOR NOTE

The Community Store records users in terms of households, which can range from a grouping of related people to those in cohabiting relationships or houses of multi-occupancy. The make-up of a household is recorded in terms of the number of adults and children being supported, which is why usage of the Store is shown as days' worth of support.

6,377 days' worth of support was provided between 3 January and 1 April 2022. Use has remained high since Christmas with a noticeably increase in 'emergency' shops in the last two weeks. This may be a result of the Sainsburys voucher scheme funded by the Hardship Fund and operated by CAW winding up. Fortunately, it has been balanced by a number of existing referrals coming to an end, however, it is expected that some of those will come back as CAW re-referrals.

When added to the 49,798 days' worth of support provided prior to 3 January 2022, the Community Store has provided a total **56,175** days' worth of support to members of the community since it first opened in April 2020. It should be noted that these figures do not include 'light' support provided by the community basket (help-your-self trolley) located outside the Community Store during operating hours, nor the support provided by others within the community to alleviate food poverty.

Weekly figures for period from 3 January to 1 April 2022 are:

Week commencing	Days-worth of support	Households	Adults	Children
3 January	497	31	42	29
10 January	455	35	45	20
17 January	560	35	48	32
24 January	532	37	49	27
31 January	413	30	39	20
7 February	392	29	38	18
14 February	469	31	45	22
21 February	553	36	45	34
28 February	546	37	51	27
7 March	504	34	47	25
15 March	455	34	49	16
21 March	511	39	51	22
28 March	490	35	46	24

15. **SAFEGUARDING REPORT FOR THE QUARTER ENDED 31 MARCH 2022 – ITEM TO NOTE**

There have been no safeguarding incidents to report during this period.

3 enhanced DBS checks have been carried out by Godalming Town Council under the Surrey County Council DBS Checking system - 2 x Youth Support Worker and 1 x Youth Support Worker in Charge. All three have been confirmed.

16. **ANNUAL SAFETY REPORT 1 APRIL 2021 TO 31 MARCH 2022 – ITEM TO NOTE**

Training

During the reporting period, internal staff training was provided on the following areas:

- Health & Safety Statement and Policy.
- Lone Working.

Significant Incidents

Members will wish to note that during the reporting period there was one health and safety incident relating to the Town Council's staff reported under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 (RIDDOR).

Additionally, although within the remit of GJBC, the following is reported as GTC is the majority partner of the GJBC:

- Eashing Cemetery Chapel – High winds caused stonework and tiles to fall from the chapel roof. The Cemetery was closed and no members of the public or staff were injured. Roofing contractors were engaged to affect repairs and to check integrity of the roof tiles and coping stones.
- Nightingale Cemetery – Although within date for safety inspection, high winds caused the collapse of a cedar tree, no one was injured, and no property was damaged.

Surveys and Repairs

During the reporting period;

- the asbestos reports for all GTC and GJBC properties were reviewed, where either incomplete or inadequate reports existed, new surveys were commissioned. Except for Nightingale Chapel buildings which will be surveyed over the summer period, all other GTC and GJBC properties have been surveyed and where required remedial works completed.
- Workplace assessments for all permanent full-time office-based staff were undertaken, with recommendations for each workstation being implemented.
- Following repairs to ceiling joists in the museum, procedures have been implemented to limit access to the loft space and its use as a storage facility.

Concerns

The following areas have been identified as areas of concern.

- Public conveniences – occasional reporting of needles and sharps being left within the toilet cubicles – changes to the lighting environment will be undertaken when electrician on site to install power supplies for door shutters.
- Public facing maintenance staff – staff being subjected to verbally aggressive behaviour – although thankfully rare, grounds and maintenance staff have been subjected to verbally aggressive unacceptable behaviour, with the aggressor subsequently either ‘posting their version’ on social media or alleging staff being rude. Use of dash and bodycams to be considered as a means to both support staff and where appropriate to verify the facts of a complaint.

17. TOWN COUNCIL REPRESENTATION ON EXTERNAL BODIES – REPORT ON DISTRICT SCOUT COUNCIL

Members are asked to note a report from Councillor Crooks on the District Scout Council (report to be tabled an organisation upon which Councillor Crooks represents the Town Council.

19. COMMUNICATIONS ARISING FROM THIS MEETING

Members to identify which matters (if any), discussed at this meeting, are to be publicised.

20. DATE OF NEXT MEETING

The next meeting of the Policy & Management Committee is scheduled to be held in the Council Chamber on Thursday, 26 May 2022 at 7.15pm or at the conclusion of the preceding Environment & Planning Committee, whichever is later.

21. ANNOUNCEMENTS

8 April 2022

Dear Andy

This week Citizens Advice Waverley starts its new financial year with the revised service model and funding arrangements supported by Waverly Borough Council's Thriving Communities Fund. This is in parallel with the extension of the contract between Surrey County Council and Surrey Domestic Abuse Partnership, including South West Surrey Domestic Abuse Service.

At this crossroads, Paul Rees, our Chair for the last ten years, has decided that now is the right moment to step down from his role as Chair of Trustees at CAW.

Going forward, Nigel Jewkes, an experienced CAW trustee, will take on the role of interim Chair until we appoint a permanent replacement for Paul.

We are all very grateful to Paul for his long service, his unceasing efforts on behalf of Waverley residents and his championing of CAW volunteers and staff.

It is owing to Paul's strong leadership that we can embark on the next chapter of our service, with renewed funding and a clear direction.

We would very much welcome the opportunity to continue to talk to you about our work and the future for Citizens Advice in Godalming and hear about how you would like our service to develop. We have appointed a Trustee liaison for Godalming, Jane Moore who will be in touch with you.

Yours sincerely

Nigel Jewkes

12. What benefits do you anticipate will be derived by the Godalming community from your project?

The waverley cup was introduced in 2021 at a difficult time for many in the community. It offered local children in Godalming and the waverley Borough to play local outdoor sports as covid rules allowed and have a much needed reprieve to mental health. The cup will hopefully be a long lasting legacy arising out of a difficult time and benefit many children in Godalming. Farncombe and Milford in particular have over 1000 children between them in the Godalming catchment. we have over 150 small sided teams registered for free and the event will serve the purpose of promoting a local event and keeping kids active.
