

GODALMING TOWN COUNCIL

Tel: 01483 523575
E-Mail: office@godalming-tc.gov.uk
Website: www.godalming-tc.gov.uk

107-109 High Street
Godalming
Surrey
GU7 1AQ

Sir/Madam

I HEREBY SUMMON YOU to attend the Full Council Meeting of the Godalming Town Council to be held in the Council Chamber, Waverley Borough Council, The Burys, Godalming on THURSDAY, 28 APRIL 2022 at 7.00pm

DATED this 22nd day of April 2022.

Andy Jeffery
Clerk to the Town Council

If you wish to speak at this meeting please contact Godalming Town Council on 01483 523575 or email office@godalming-tc.gov.uk

Where possible proceedings will be live streamed via the Town Council's Facebook page. If you wish to watch the council meeting's proceedings, please go to Godalming Town Council's [Facebook](#) page.

The meeting will be preceded by prayer with the Revd Sheila Samuels of St Marks Church, Godalming officiating – all who wish to participate in prayers are most welcome to do so; however, anyone not wishing to participate may leave the chamber or sit quietly for the short duration of the prayers. All individuals' decisions in this matter are respected.

AGENDA

1. MINUTES

THE TOWN MAYOR to sign as a correct record the Minutes of the Meeting of the Council held on the 13 January 2022.

2. APOLOGIES

TO RECEIVE apologies for absence.

3. DISCLOSABLE PECUNIARY INTERESTS AND NON-PECUNIARY INTERESTS

To receive from Members any declarations of interests in relation to any items included on the Agenda for this meeting required to be disclosed by the Localism Act 2011 and the Godalming Members' Code of Conduct.

4. PETITIONS/STATEMENTS/QUESTIONS FROM MEMBERS OF THE PUBLIC

THE TOWN MAYOR to invite members of the public to make representations, ask or answer questions and give evidence in respect of the business on the agenda or other matters not on the agenda. This forum to be conducted in accordance with Standing Order 5:

Members of the Public have the right to attend all meetings of the Town Council and its Committees and are welcome.

- The period of time designated for public participation at a meeting for a maximum of three minutes per person or 15 minutes overall, unless otherwise directed by the chairman of the meeting,
- A question shall not require a response at the meeting nor start a debate on the question. The chairman of the meeting may direct that a written or oral response be given. If a matter raised is one for Principal Councils or other authorities, the person making representations will be informed of the appropriate contact details.

5. QUESTIONS BY MEMBERS

To consider any questions from councillors in accordance with Standing Order 6.

6. RECEIPT OF OFFICIAL ANNOUNCEMENTS

To receive official announcements, letters, etc.

7. RECEIPT OF COMMITTEE CHAIRS' REPORTS

To receive Chairmen's reports of the Committees as under:

Audit Committee

Members are requested to consider and, if agreed, to resolve to adopt the updated Business Continuity Plan (attached for the information of Members).

Environment & Planning Committee

The Environment & Planning Committee makes one recommendation to Full Council regarding the awarding of Community Infrastructure Funding.

Having considered an [application](#) (previously circulated to Members and available at pages 5-9) Members accepted that the application supports an immediate and pressing need to improve the school's sports facilities and maximise the available space. Members also noted that the MUGA will provide a reliable, flat, all-weather, all-season sports surface which all children can use every day of the school year. Additionally, Members accepted that the MUGA would also provide a high-quality sports facility for community sports clubs in the local area and that as the local population increases due to development, the need to provide valuable additional space for the wider community to take parts in sports outside school hours, also increases.

In consideration that the regulations that govern how CIL is spent require that Godalming Town Council utilises the local CIL allocated towards either:

- the provision, improvement, replacement, operation or maintenance of infrastructure, or
- anything else that is concerned with addressing the demands that development places on Godalming.

Members resolved to recommend to Full Council for the conditional award of £60,000 of Neighbourhood CIL funds in support of a Multi-Use Games Area to be provided at Busbridge Junior School (award to be conditional upon the applicant agreeing a Memorandum of Understanding to make provision for the MUGA to be made available for hire/use for an average of 38 hours per week, outside of school operating hours, to community groups and organisations and for the applicant to provide the Council with a report on the use of the MUGA by both the school and other community groups after 12 months' of use).

This recommendation to be considered as a separate agenda item.

Policy & Management Committee

There were no recommendations

Staffing Committee

Review of Policy Documents

Members of the Staffing Committee considered the revised First Aid Policy document and resolved to recommend its adoption to Full Council.

Members to resolve to adopt the First Aid Policy (attached for the information of Members).

8. RECEIPT OF COMMITTEE MINUTES

To receive the minutes of the undermentioned Committees:

	Meetings Dated
Audit Committee	3 February 2022 25 April 2022
Environment & Planning	10 March 2022 31 March 2022 21 April 2022
Policy & Management Committee	13 January 2022 3 February 2022 10 March 2022 21 March 2022
Staffing Committee	10 February 2022

9. GODALMING JOINT BURIAL COMMITTEE – REPORT

TO NOTE FOR INFORMATION the report of the Godalming Joint Burial Committee of its proceedings on the 24 February 2022.

10. REPORT OF THE INTERNAL AUDITOR

Members to consider the report of an internal audit conducted on 7 September 2021 by the Council's Internal Auditor Mulberry & Co (the report is attached for the information of Members) and to note the comments of the Audit Committee thereon.

Audit Point	Audit Findings	Council Response
Quotes & Estimates	In reviewing the minutes of JBC and GTC we agreed with the Clerk and RFO that where there are instances of council reviewing and accepting quotes and/or tenders for work, there should be processes in place to ensure the minutes show a 'resolution to accept or approve' so it is clear beyond reasonable doubt that the council is making the necessary decisions based on the evidence presented.	Noted – will ensure future minutes contain suggested wording.

11. RISK ASSESSMENTS

The Audit Committee reviewed and updated the Council's Risk Assessments in the following areas (all attached for the information of Members):

- Environment
- Health & Safety
- Legal

Members are requested to consider and, if agreed, to resolve to adopt the updated risk assessments.

12. ANNUAL GOVERNANCE STATEMENT

Members are required to consider the Annual Governance Statement (attached for the information of Members) and the answers to the questions posed by the Statement.

Members are advised to consider the Audit Committee's recommended answers to those questions alongside the Annual Governance Statement. The Audit Committee's recommended answers will be circulated after the Audit Committee meeting to be held on 24 April 2022 and will also be tabled at the meeting.

13. ACCOUNTING STATEMENTS 2021/22

Members to consider and agree the Town Council's Accounting Statements for the Financial Year Ended 31 March 2022 (copy of Section 2 of the Annual Return is attached for the information of Members).

14. COMMUNITY INFRASTRUCTURE LEVY MONITORING REPORT– ITEM FOR NOTE

Members to receive the annual Community Infrastructure Levy Monitoring Report to 31 March 2022 (report attached for the information of Members).

15. NEIGHBOURHOOD CIL APPLICATION – ITEM FOR DECISION

In consideration of the recommendation of the Environment & Planning Committee for the awarding of Godalming Neighbourhood Community Infrastructure Levy Funding, Full Council is requested to resolve to:

- Approve an award of Neighbourhood CIL funding of £60,000 to Busbridge Junior School for the provision of a Multi-Use Games Area as detailed within their application, such award to be conditional upon acceptance of the Godalming Neighbourhood Community Infrastructure Levy Funding - Terms and Conditions and the requirements of the Letter of Offer.**
- Approve the Godalming Neighbourhood Community Infrastructure Levy Funding Terms & Conditions document (Issue 1 – 28 April 2022).**
- Approve the Letter of Offer for Godalming Neighbourhood Community Infrastructure Funding to Busbridge Junior School dates 28 April 2022.**

In making its recommendation to Full Council, the Environment & Planning Committee wished that any award approved by Full Council in support of a Multi-Use Games Area (MUGA) to be provided at Busbridge Junior School, should be conditional upon the applicant agreeing to the Terms and Conditions of the offer to make provision for the MUGA to be made available for hire/use to community groups and organisations outside of school hours, for an average of 38 hours per week throughout the year. Additionally, the applicant is to provide the Council with a report on use of the MUGA by both the school and other community groups after 12 months' of use).

If Members are minded to approve the award, they are requested to consider the Terms and Conditions document associated with an offer from Godalming Town Council for the award of Godalming Neighbourhood Community Infrastructure Funding (Issue 10-28 April). Additionally, Members are also requested to consider the accompanying Letter of Offer that sets out specific requirements relating to community use of this application (both documents attached for the information of Members).

16. AUTHORISATION OF THE CLERK

TO AUTHORISE the Clerk to sign or, where appropriate to have sealed on behalf of the Town Council any orders, deeds, or documents necessary to give effect to any of the matters contained in the Reports received at this meeting or in any Resolution passed by the Council.

17. DATE OF NEXT MEETING

The date of the next Full Council meeting is scheduled to be held in the Council Chamber on Thursday, 19 May 2022 at 7.00pm.

18. ANNOUNCEMENTS

Brought forward by permission of the Chairman. Requests to be submitted prior to commencement of the meeting.

BUSINESS CONTINUITY POLICY

OVERVIEW

The objectives of a Business Continuity Plan (BCP) are:

- to provide guidance, establish actions to be taken and develop procedures that will allow the Council to manage any incident;
- to ensure the continued operation of key services;
- to keep the organisation working effectively;
- to inform the community and customers of the Council.

The BCP must cover all areas of the Council's business, including issues for the:

- staff – operational issues; to ensure their ability to undertake their day-to-day duties;
- council – statutory requirements, Councillors' business, service provider to customers (residents, visitors); to ensure they are undertaken with minimal disruption, and stakeholders kept informed and details and updates are well communicated.

Responsibility for implementing the BCP rests with the Proper Officer (PO), or, in his absence, the RFO. They must ensure that they have access to the BCP, including appendices, that is not dependent upon access to the office, and that the appendices themselves are updated as soon as any aspect changes.

There are many scenarios that may result in the need to implement aspects of the BCP, but this document focuses on loss of:

- main office location;
- any of the main community buildings; WNC, Broadwater or Pepperpot;
- IT capabilities from internal or external causes;
- Town Clerk or RFO.

In each scenario there will be a series of immediate actions to be considered and undertaken where relevant. There will then be additional considerations specific to each. It is recognised that those listed here are not exhaustive, as there is a balance to be struck between the benefits of preparedness and the investment of effort in planning for an event that might never happen.

The appendices to the BCP contain emergency contact details and other key information where immediate access may be required. For GDPR and other security reasons the actual details will only be included in restricted access versions of the BCP.

IMMEDIATE STEPS – ALL SCENARIOS

1. Follow any relevant guidelines, such as

- fire – evacuate and contact emergency services;
 - smell gas – turn off and phone 0800 111 999;
 - malicious threat – bomb warning.
2. Under no circumstances should staff or others be put at risk.
 3. Contact the PO and RFO, who will then take control of the situation unless the emergency services are involved.
 4. Make a quick assessment or value judgement of the seriousness of the situation and issues likely to be involved.
 5. Notify key stakeholders, using details in Appendices
 - staff;
 - Leader, Mayor and political group leaders, who should be requested to notify the remainder of their group;
 - insurers, if the incident is likely to give rise to a claim.
 6. In conjunction with the Leader, decide roles and responsibilities for staff and other elected members, as appropriate.
 7. Arrange more detailed briefings for staff and councilors.
 8. Decide the nature and extent of more extensive communication with residents and other relevant stakeholders.

SUBSEQUENT STEPS – ALL SCENARIOS

1. Ensure adequate resources are input to assist the recovery of the service, including those available from insurers.
2. Appropriate reviews of the situation are undertaken, through regular updates and Officers, Councillors and customers are kept updated and informed.
3. Officers are utilised effectively and efficiently, particularly in the event of providing cover, to expedite a prompt return to normal service.
4. Adequate checks are carried out when the services and systems are recovered, in particular when systems are restored from back-up records, so that they are fully restored and reinstated and operating correctly.
5. All details, i.e. resources, additional costs etc., are recorded and where applicable photographed.
6. If an insurance claim is to be made
 - ideally retain all damaged property until insurers have the opportunity to inspect;
 - consider setting up a separate cost centre so that all aspects are included. Any aspect not paid by insurers can be reassigned to normal cost centres subsequently.

ADDITIONAL CONSIDERATIONS – LOSS OF GTC OFFICES

1. Are alternative premises needed or can staff work from home for the expected duration of the interruption? If it is not currently feasible for them to do so for up to a week, are there sensible steps that can be taken now to ensure that they can do so for a few days, at least?
2. Options for alternative premises include adaptation of all or part of a community building for office use.

ADDITIONAL CONSIDERATIONS – LOSS OF COMMUNITY BUILDINGS

1. Repair or reinstatement should be arranged as expeditiously as possible, in conjunction with insurers where appropriate.
2. All customers with bookings in the affected building should be included in the list of stakeholders for immediate contact, even if the booking is beyond the expected period of interruption.
3. Assistance should be offered to affected customers to secure alternative facilities in Council buildings or elsewhere.

ADDITIONAL CONSIDERATIONS – LOSS OF KEY PERSONNEL

1. The PO or RFO should discuss the situation with the Leader as soon as possible to devise an action plan, including the possible need for additional temporary staff.
2. It is recommended that key aspects of each key role should be reviewed in advance to identify which aspects can be assigned to other staff, and the adjustments that might be necessary to allow for this. These might include:
 - delegation of aspects of their normal role to others;
 - additional training to enable this to happen, especially where this might be an aide to career development;
 - identify aspects of activity that could be suspended altogether or scaled back for the duration.

APPENDICES

The secure master copy of the BCP should contain appendices with the details listed below. PO and RFO must ensure that they have remote access to these details.

- staff phone numbers and private emails addresses;
- elected member phone numbers and private emails addresses, albeit that the initial communication requirement envisages that political group leaders will be responsible for cascading information to their peers;
- entry access codes and alarm codes for all buildings;
- 24/7 contact details for insurers – for use in the event of a major loss;
- office contact details for insurance broker and insurers;
- contact details for all IT service providers;
- details of any pre-planning as outlined in the BCP, including contact details for any potential service providers identified.

FIRST AID POLICY

ORGANISATION AND ARRANGEMENTS

The Health and Safety (First Aid) Regulations 1981 impose a duty on employers to provide first aid support and facilities for their employees. Godalming Town Council considers a high standard of first aid service to be a vital component in maintaining high standards of health and safety at work and has, therefore, adopted the following First Aid Policy.

DEFINITIONS

First Aid is defined in the Health and Safety (First Aid) Regulations 1981 as a case where a person will need help from a medical practitioner or nurse in the event of serious injury or illness; where such help is not available, a First Aider will provide treatment for the purpose of preserving life and minimising the consequences of injury and illness until such help is obtained. It also covers treatment of minor injuries and minor illness, which would otherwise receive no treatment or which do not need treatment by a medical practitioner or nurse.

These regulations apply only to employees although some First Aid provision is made for users of the Council's community buildings.

The Health and Safety (First Aid) Regulations 1981 place a general responsibility on employers to provide appropriate first aid facilities. First Aid Boxes are provided at all of the Council's premises and in Council owned vehicles. In the case of lone workers - if they sustain a minor injury, they might be able to use a first aid box or telephone for help.

FIRST AID ORGANISATION

1. Overall responsibility for fulfilling the first aid policy of the Council rests with the Town Clerk.
2. The person dealing with a first aid incident must inform the Town Clerk or Facilities Supervisor as soon as possible.
3. If an accident involves a member of staff, the Town Clerk or Facilities Supervisor, will inform the next of kin.
4. The Support Services Officer will make appropriate arrangements to ensure at least two members of the administrative staff have undertaken work place first aid training, plus at least one member of the museum staff and both grounds and maintenance supervisors.
5. The Youth Services Officer will make appropriate arrangements to ensure at least one qualified first aider is in attendance during youth work sessions.
6. The Town Clerk will delegate the procurement of first aid equipment and medical supplies for the Town Council offices and all Town Council premises to the Facilities Supervisor.
7. The Facilities Supervisor shall be responsible for ensuring that the First Aid Boxes at the Town Council offices and the Community Buildings are regularly restocked as necessary.

8. The most senior member of staff present at the time of any accident is to ensure that the Accident Book is completed.

N.B. An ambulance is required to be summoned in all cases where a casualty loses consciousness for any period.

7th September 2021

Dear Rita

Re: Godalming Town Council
Internal Audit Year Ended 31st March 2022

Executive Summary

Following completion of our interim internal audit on the 7th September 2021 we enclose our report for your kind attention and presentation to the Council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date. **Testing requirements are shown in Red** and where appropriate **recommendations for future action are shown in bold text and summarised in the tables at the end of the report.**

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified, followed by recommended minimum testing requirements. Each section is then concluded with an opinion as to whether the assertion has been met or not.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures very seriously and I am pleased to report that overall the systems and procedures you have in place are fit for purpose. The existence of an audit committee with its own detailed scope of works, testing & reporting regimen is very much best practice. I would recommend the continuance of this into the future.

I would like to thank Rita for her assistance and whilst my report contains recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well ordered system.

It is therefore our opinion that the systems and internal procedures at Godalming Town Council are well established, and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit’s function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily.

The internal audit reports should therefore be made available to all members to support and inform them when they considering the authority’s approval of the annual governance statement.

Independence & Competence

Your audit was conducted by Mark Mulberry of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor is a qualified practicing accountant with over 20 years’ experience as a registered statutory auditor.

Engagement Letter

An engagement letter was issued In August 2021 covering the 2021/22 internal audit assignment. Copies of this document are available on request.

Planning & Inherent Risk Assessment

The scope and plan of works including fee structure was issued to the council on the 1st September 2020 under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

- There have been no instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover
- The client has an audit committee with detailed terms of reference and work programme

It is my opinion that the inherent risk of error or misstatement is low and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be “walk through testing” on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT (INTERIM AUDIT)

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Recommended Minimum Testing

- Ensure the correct roll forward of the prior year cashbook balances to the new financial year
- Check a sample of financial transactions in cashbooks to bank statements, etc: the sample size dependent on the size of the authority and nature of accounting records maintained

The Council continues to use RBS Rialtus suite. This an industry specific accounting package. The RBS system is used daily to report and record the financial transactions of the council.

There are a number of access users. The system is cloud based and access is by secure log on to the local machine and a separate password for the cloud system.

- RFO -full access all areas
- Clerk – Read only all areas
- Facilities supervisor – read write to bookings
- Support services – read write to bookings.

The system encompasses, sales ledger, purchase ledger and cashbook. It provides for reconciliation of key control accounts and regular reporting against budget.

Every month, a month end close down is performed by the RFO, various reports are printed in soft copy and filed in logical order on the "W" drive, these include but are not limited to; income and expenditure against budget, bank reconciliations and other reports as fit. The W drive is backed up daily.

The RFO makes use of a control sheet to tick off the various reconciliations and financial activities that must be completed to finalise a month end. I have reviewed the April, May & June months and can confirm the tick sheet is completed and the various reconciliations are in evidence. This is a robust, clear to follow system of internal control and demonstrates good working practices.

I also reviewed the bank reconciliation file and can confirm for June, July & August there was evidence of the RFO preparing and signing off the bank reconciliations, together with counter signatures for council approval. This demonstrates internal controls are in evidence and being followed.

The cashbooks are routinely saved and are also retrospectively accessible via the RBS package. The system requires the population of key data fields to enable the user to record a transaction with sufficient detail to understand the nature and scope of the transaction. This is a clear and easy to follow system and a review of the cashbook shows that all data fields are being entered, the reports are easy to read and logically filed.

My walk through audit testing of receipts and payments to underlying documentation chosen at random from month five showed that the referencing system can be relied upon, and that the source documents could be easily located in the council records. I make no recommendation to change in this system.

I tested opening balances as at 1/4/21 and confirmed they could be agreed back to the audited accounts for 2020/21.

The Council is VAT registered and the last VAT return was for quarter ended 30th June 2021. This was submitted using the software package under the making tax digital rules and was submitted on time ahead of the deadline. The return was a refund return and I proved the amount shown on the return to the HMRC system and to the physical bank statements. This test indicates that the council is up to date with its postings on the financial package and that these can be verified to third party evidence.

Overall, I have the impression that the accounting systems are well ordered and routinely maintained and as such I make no recommendation to change.

Section Conclusion

I am of the opinion that the control assertion of "Appropriate accounting records have been properly kept throughout the financial year" has been met.

B. FINANCIAL REGULATIONS, GOVERNANCE & PAYMENTS (INTERIM & FINAL AUDIT)

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.

Recommended Minimum Testing

- Review the procedures in place for acquisition of formal tenders and quotes, ensuring they are in line with the SOs and FRs which should be based on the latest version.
- Ensure that consistent values are in place for the acquisition of formal tenders between SOs and FRs (frequently different limits are recorded in the two documents)
- Review the procedures for receipt of invoices, agreement of invoice detail and confirmation of goods /services delivery and approval for payment: ideally, a suitably designed certification stamp should be in place providing for evidencing of these checks and payment authorisation
- Check that there is effective segregation between the writing of cheques or the setting up of online payments, and physical release of payments
- Check that VAT reclaims are prepared and submitted in a timely manner in line with the underlying records and in accordance with current HMRC requirements
- Where debit / credit cards are in use, establish the total monthly and individual transaction limits and ensure appropriate controls over physical security and usage of the cards are in place

Interim Audit

Check the publication & minuting of the prior year audited AGAR and notice of conclusion of audit.

The external auditors report was not qualified in 2020/21, although the external auditor made a comment regarding the order of approval.

The notice of conclusion of audit is dated 18/08/21 and is posted to the council website in accordance with regulations.

Both the auditor's report and the notice will be reported to the audit committee in September 2021. This will be ratified by full council on the 23rd September 2021.

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that Councillors sign "Acceptance of Office" forms and "Register of members Interests" and "Acceptance to receive information by Electronic Means", all in line with regulations.

Each councillor is listed on the website, has a mini biography and link to their register of interests. I reviewed the website with the RFO and it was verbally confirmed all councillors were up to date. The register of interests was dated 2019.

Confirm that the Council is compliant with the relevant transparency code.

The Council is required by law to follow the 2015 Transparency Code, a review of the web site has shown that the council is routinely and properly following this.

A review of the website indicates that in general information is clear, easily accessible and readable. The council is aware of the accessibility regulations which come into effect in September 2020 – some areas were updated, however the council is in the process of changing its website provider to be fully compliant.

Confirm that the Council is compliant with the GDPR.

The council is aware of GDPR, it was noted the Council has common email addresses internally which gives a natural segregation so it is clear beyond doubt in what capacity a councillor is acting, gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

Confirm that the Council meets regularly throughout the year

The council has the following committees:

- Full Council; meets circa 6 times per annum
- Audit; quarterly
- Staffing; Quarterly
- Mayoralty – annual
- P&M – 6 weekly
- Environment & Planning – new
- JBC - quarterly

There are also a number of working parties and groups which meets as and when necessary to cover specific tasks, not committee have spending powers.

Check that agendas for meetings are published giving 3 clear days' notice.

I reviewed the agendas for meetings held in June, July & August and can confirm that at least 3 clear days' notice is given.

Check the draft minutes of the last meeting(s) are on the council's website

Minutes are uploaded to the council website and these agree to signed hard copies.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The standing orders are based on the NALC model. These were adopted by full council the May 2021 meeting.

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial regulations are based on the NALC model. Financial Regulation will be reviewed by the Audit Committee in September 2021 and will be taken to Full Council on September 2021 (There is to be discussion about the order thresholds). The regulations being based on the NALC model contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

Financial regulation 2.2 deals with bank reconciliations, the council is performing a monthly bank reconciliation for all accounts and this is signed & minuted in accordance with regulations.

Financial regulation 3 deals with Annual estimates (Budget) and Forward planning. Budget monitoring reports are presented to the Policy and Management Committee at each meeting. The reports are logically presented with both summary and detailed narrative. I reviewed the June report and minutes and can confirm that councillors are well informed and this is minuted.

Financial regulation 4 deals with budgetary control and authority to spend. The office has the power to spend within a budget heading and the clerk has emergency powers up to £4,500. The internal processes of the council are sufficiently robust to ensure before an order is placed the budgets are checked. On occasion it is necessary to get retrospective approval from council.

Financial Regulation 5 deals with authorisation of payments. The minutes show authorisation of payments lists in accordance with regulations. The bank mandate is up to date.

Financial regulation 6 deals with making payments. The council makes payments by cheque, direct debit, debit card and bacs. The system in place is routinely followed and a review of the payments file showed all summaries are signed and invoices verified. There is no doubt payments are properly reported to council, approved and the physical payment authorised.

The de-minimis limit recorded in the Financial Regulations for the competitive purchase of items and services is as listed below.

- £25,000 + Tender Process
- £5,000 - £25,000 3 quotations are required.
- £1,000 - £5,000 – strive to get 2 estimates – council considering removing this category
- 0 - £1,000 – power to spend – council considering change to £5,000 (2021/22)

I discussed the purchasing system with the RFO vis-à-vis financial regulations 4, 5 & 6 and ascertained that the regulations are being followed at a local level as described below:

1. Regular and recurring expenditure (rent, rates, wages, light & heat, contractual spend etc.) is known and authorised in advance (budget setting or tender process). These are, in the main, paid via direct debit, standing order or on-line banking. Evidence was noted in the minutes of advance variable direct debits being properly authorised.
1. An ad hoc expenditure requirement is identified and noted to the clerk/RFO – this can be from a number of sources and depending on the financial amount will be discussed in advance with council, committee or chair. If required, this is approved in advance by council committee before the expenditure incurred. My audit testing showed via the minutes that there is where appropriate discussion of expenditure before the orders are placed.
2. The order is made via the office – councillors are not allowed or permitted to place amend or vary orders.
3. The supplier invoice, when received, is reviewed by the RFO and box stamped and passed to budget holder for authorisation and review. My audit testing showed that supplier invoices do all have a box stamp.
4. The authorised invoices are then returned to the RFO and are input into the financial reporting package.
5. On a weekly basis a payments list is prepared by the RFO and councillors are invited to approve the payment sheet and approve the invoices via email. The RFO sets the payments up on the on-line banking screens and prints this out in hard copy and the clerk verifies the list to the bank print. The clerk then authorises the physical payment on the bank system. Dual access is not required to access bank. The RFO accesses bank account and inputs payment and Town Clerk reviews input against schedule and signs that it is correct.
6. The payments list is taken to committee for approval in accordance with regulations.

In conducting our walk through testing we identified that the correct VAT is recorded on the system and could be agreed to physical invoices and the VAT return, which in turn was proved to the physical refund and HMRC website. We also agreed to documentary evidence and supplier invoices payments made by bacs and DD – there were no errors.

In reviewing the minutes of JBC and JTC we agreed with the clerk and the RFO that where there are instances of council reviewing and accepting quotes and or tenders for work, **there should be processes in place to ensure the**

minutes show where applicable a “resolution to accept or approve” so it is clear beyond reasonable doubt that council is making the necessary decisions based on the evidence presented.

Confirm all section 137 expenditure meets the guidelines & does not exceed the annual per elector limit of £8.41 (2021: £8.32 per elector.)

The council has no S.137 expenditure because they have GPC. This was approved in May 2019 at the annual meeting. I have verified this to the minutes.

Confirm that checks of the accounts are made by a councillor.

The client has an internal audit committee, with a detail remit and schedule of works. In July 2021 a body of review work was presented and documented. No errors or omissions were noted. I am under no doubt the council has robust internal controls in place.

Section Conclusion

I am of the opinion that the control assertion “This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for”, has been met.

C. RISK MANAGEMENT & INSURANCE (INTERIM AUDIT)

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Recommended Minimum Testing

- Ensure that authorities have prepared, and formally adopted, at least once annually, an appropriate and comprehensive register of assessed risks, both regular and ad hoc
- Ensure that appropriate levels of insurance cover are in place for land, buildings, public, employers' and hirers' (where applicable) liability, fidelity / employees (including councillors) liability, business interruption and cyber security
- Ensure that appropriate arrangements are in place for monitoring play areas, open spaces and sports pitches: such reviews should be undertaken by appropriately qualified external inspectors or, if by officers or members, that they have received the appropriate training and accreditation

Interim Audit

As part of the audit committee remit of works the Council undertakes risk assessments that cover a number of categories. Evidence was noted in the September 2020 Audit Committee meeting of review and adoption of the risk management policy and documentation. These are very comprehensive and detailed documents.

Godalming TC is insured with Zurich on a 3 year deal. Asset cover seems consistent with the asset register, and money cover is adequate for a council of this size. The certificate is in date.

We discussed assertion 8 of the AGAR and whether or not this had any impact on the council. All appropriate transactions and events have been recorded.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

Section Conclusion

I am of the opinion that the control objective of "This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.", has been met

D. BUDGET, PRECEPT & RESERVES (INTERIM & FINAL AUDIT)

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Recommended Minimum Testing

- Ensure that the full Authority, not a Committee, has considered, approved and adopted the annual precept in accordance with the required parent Authority timetable
- Ensure that budget reports are prepared and submitted to Authority / Committees periodically during the year with appropriate commentary on any significant variances
- Review the budget performance either during the year or at the financial year-end seeking explanations for any significant or unanticipated variances
- Ensure that the Authority has considered the establishment of specific earmarked reserves and, ideally, reviews them annually as part of the budget assessment process
- Ensure that the precept in the accounts matches the submission form to the relevant authority and the public record of precepted amounts

Interim Audit

Full council approved the 2021/22 precept at its 17th December 2020 meeting which is within the timescales set within the financial regulations and submitted its application on time to the precepting authority.

I confirmed that the 2022/23 Budget and precept setting process was underway at the time of the audit.

Councillors receive regular reports on budget against actuals via reports to the Policy and Management Committee. I reviewed the report for the period to end of September 2021 and was able to confirm that the budget is well managed and reported on. Overspends have been properly explained and approval for funding sought from Councillors.

The Council has well developed reserves, which are properly recorded. It is forecasted that at the end of the council year general reserves could be at £217k and Earmarked £230. The RFO is aware that by the end of the council year the general reserve will be below the 50% of precept rule of thumb. This has been discussed with council so that a strategy can be put in place to bring the reserves level up over time. I am of the opinion that reserves are very low for a council of this size.

I discussed the earmarked reserves with the RFO and RFO was able to provide explanations and reasons for all reserves. I am of the opinion these are bonafide reserves.

Section Conclusion

I am of the opinion that the control objective of "The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.", has been met.

E. INCOME (INTERIM & FINAL AUDIT)

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Recommended Minimum Testing

- Review "Aged debtor" listings to ensure appropriate follow up action is in place
- Allotments: ensure that appropriate signed tenancy agreements exist, that an appropriate register of tenants is maintained identifying, that debtors are monitored.
- Burials: ensure that a formal burial register is maintained that it is up-to-date and that a sample of interments and memorials are appropriately evidenced, that fees have been charged at the correct approved rate and been recovered within a reasonable time: (Authorities should also acquire and retain copies of Burial / Cremation certificates)
- Hall hire: ensure that an effective diary system for bookings is in place identifying the hirer, hire times and ideally cross-referenced to invoices raised
- Leases: ensure that leases are reviewed in a timely manner in accordance with the terms of the lease and rents similarly reviewed appropriately at the due time
- Other variable income streams: ensure that appropriate control procedures and documentation are in existence to provide a clear audit trail through to invoicing and recovery of all such income
- Where amounts are receivable on set dates during the year, ensure that an appropriate control record is maintained duly identifying the date(s) on which income is due and actually received / banked

Interim Audit

The Council uses the RBS booking module to invoice and record the collection of income for hires. I was able to agree charging rates back to the approved fees and charges list.

Council approved its fees and charges in April 2021.

I was pleased to note that the RFO regularly checks and chases aged debtors.

VAT has been properly charged at the prevailing rate.

I was able to verify income per the bank statements to the underlying records.

Section Conclusion

I am of the opinion that the control objective of "Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.", has been met.

F. PETTY CASH (INTERIM AUDIT)

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.

Recommended Minimum Testing

- A number of Authorities are now running down and closing their petty cash accounts and using debit / credit cards for ad hoc purchases. Consequently, a "Not applicable" response is frequently required in this area.
- Review the systems in place for controlling any petty cash and also cash floats (used for bar, catering, etc)
- Check a sample of transactions during the financial year to ensure appropriate supporting documentation is held
- Review the existence of evidenced periodic independent verification of the petty cash and any other cash floats held
- Ensure that VAT is identified wherever incurred and appropriate
- Physically check the petty cash and other cash floats held
- Where bar or catering facilities are in place, ensure that appropriate cashing-up procedures are in place reconciling the physical cash takings to the till "Z" total readings

The council has a float of £200. This was reviewed at the audit date, it is clear this is used for small sundries and is not significant or material.

Petty cash expenditure is signed off by the RFO and another officer.

The council is considering dispensing with petty cash in favour of expenses reimbursement and corporate credit card.

Section Conclusion

I am of the opinion the control objective of "Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.", has been met.

G. PAYROLL (INTERIM & FINAL AUDIT)

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Recommended Minimum Testing

- Ensure that, for all staff, a formal employment contract is in place together with a confirmatory letter setting out any changes to the contract
- Ensure that appropriate procedures are in place for the payment of members allowances and deduction of any tax liability
- Ensure that, for a sample of staff salaries, gross pay due is calculated in accordance with the approved spinal point on the NJC scale or hourly rate, if off-scale, and also with the contracted hours
- Ensure that appropriate tax codes are being applied to each employee
- Where free or paid for software is used, ensure that it is up to date.
- For the test sample of employees, ensure that tax is calculated appropriately
- Check the correct treatment of Pension contributions to either the Local Government pension scheme (non - taxable, deducted from the gross salary or DC schemes like NEST which already allow for tax deductions
- For NI, ensure that the correct deduction and employer's contributions are applied: NB. The employers allowance is not available to councils but may be used by other authorities
- Ensure that the correct employers' pension percentage contribution is being applied
- Ensure that for the test sample, the correct net pay is paid to the employee with tax, NI and pension contributions correctly paid to the respective agencies

The payroll is processed using Sage 50 payroll and is processed in house by the RFO. Payroll is then reviewed by the Clerk and signed off electronically by two councillors prior to payment to staff.

The council has fulfilled its obligations in respect of auto-enrolment and uses LGPS.

I tested the tax deduction and pay scales for a full time & part time employee – there were no errors. I am of the opinion salaries are correctly calculated and paid.

The PAYE and NI liabilities are paid on time.

All Council employees are paid through the payroll for all Council work undertaken. No employees are paid separately for any other Council work undertaken. Casual labour payments are correctly recorded via the payroll.

Councillors are not paid allowances.

Pay increases are based on an annual appraisal and a fixed % e.g. an annual cost of living increase or an incremental scale increase, where applicable

Section Conclusion

I am of the opinion that salaries are correctly stated on the AGAR and that the control object of "Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.", has been met.

H. ASSETS AND INVESTMENTS (INTERIM & FINAL AUDIT)

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Recommended Minimum Testing

Tangible Fixed Assets

- Ensure that the Authority is maintaining a formal asset register and updating it routinely to record new assets at historic cost price, net of VAT and removing any disposed of / no longer serviceable assets
- Physically verifying the existence and condition of high value, high risk assets may be appropriate
- Ideally, the register should identify for each asset the purchase cost and, if practicable, the replacement / insured cost, the latter being updated annually and used to assist in forward planning for asset replacement
- Additions and disposals records should allow tracking from the prior year to the current
- Ensure that the asset value to be reported in the AGAR at Section 2, Box 9 equates to the prior year reported value, adjusted for the nominal value of any new acquisitions and /or disposals
- Compare the asset register with the insurance schedule to ensure that all assets as recorded are appropriately insured or "self-insured" by the Authority

Fixed asset investments

- Ensure that all long-term investments (i.e., those for more than 12 month terms) are covered by the "Investment Strategy" and reported as Assets in the AGAR at Section 2, Box 9.

Borrowing and Lending

- Ensure that the authority has sought and obtained appropriate DMO approval for all loans acquired
- Ensured that the authority has accounted for the loan appropriately (i.e., recorded the full value of the loan. Any arrangement fee should be regarded as an admin expense) in the year of receipt
- Ensure that the combined principal loan repayment and interest for the year is correctly recorded in the AGAR at Section 2 Box 5
- Ensure that the outstanding loan liability as at 31st March each year is correctly recorded in the AGAR at Section 2, Box 10 (value should be verified via the DMO website)
- Where the Authority has issued loans to local bodies, they should ideally seek signed indemnities from the recipient body, or their members, agreeing to underwrite the loan debt

Interim Audit

The fixed asset register is maintained on excel, additions and disposals have been agreed to a schedule prepared by the RFO and have been correctly added at cost, or written off the asset register as obsolete. I was able to verify to the supplier invoice and council approval the addition of a water bowser.

The loan interest and capital repayments were agreed to PWLB debt management letters. There were no errors.

The Council does not hold any long term investments i.e. over 1 year. Any addition to the asset register is normally with a cost value greater than £1,000.

Section Conclusion

I am of the opinion that the control objective of "Asset and investments registers were complete and accurate and properly maintained.", has been met.

I. BANK & CASH (INTERIM & FINAL AUDIT)

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Recommended Minimum Testing

- Ensure that bank reconciliations are prepared routinely, are subject to independent scrutiny and sign-off by members
- Verify the accuracy of the year-end bank reconciliation detail and ensure accurate disclosure of the combined cash and bank balances in the AGAR, Section 2, Box 8.
- Where the authority has bank balances in excess of £100,000 it has an appropriate investment strategy.

Interim Audit

At the interim audit date the council had a reconciled bank position which has been signed in accordance with financial regulations.

I have reviewed the reconciliation there were no outstanding payments and no outstanding lodgements. I also tested the cut off and can confirm the payments and lodgements are shown in the correct year.

Section Conclusion

I am of the opinion that bank and cash balances are properly shown on the AGAR and that the control objective of "Periodic and year-end bank account reconciliations were properly carried out.", has been met.

J. YEAR END ACCOUNTS (INTERIM & FINAL AUDIT)

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Recommended Minimum Testing

- Ensure that, where annual turnover exceeds £200,000, appropriate records are maintained throughout the year on an Income and Expenditure basis to facilitate budget reporting in that vein
- Ensure that appropriate accounting arrangements are in place to account for debtors and creditors during the year and at the financial year-end

The council, at its meeting to sign off the year-end accounts, must discuss the Annual Governance Statement and record this activity in the minutes of the meeting. Based on the internal audit finding, I recommend using the table below as the basis for that discussion. THIS MUST BE A SEPARATE AGENDA ITEM TO THE SIGNING OF THE ANNUAL ACCOUNTS.

Section 1 – Annual Governance Statement

	Annual Governance Statement	<i>'Yes' means that this authority</i>	Suggested response based on evidence
1	We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.	<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>	YES – income & expenditure accounts follow latest Accounts and Audit Regulations and practitioners guide recommendations.
2	We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>	YES – there is regular reporting of financial transactions and accounting summaries, offering the opportunity for scrutiny.
3	We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.	<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>	YES – the Clerk is experienced and advises the council in respect of its legal powers.
4	We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.	<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>	YES – the requirements and timescales for 2020/21 year-end were followed.

5	We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>	YES – the council has a risk management scheme and appropriate external insurance.
6	We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.	<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>	YES – the council has appointed an independent and competent internal auditor has completed two audits during the year.
7	We took appropriate action on all matters raised in reports from internal and external audit.	<i>responded to matters brought to its attention by internal and external audit.</i>	YES – where matters are raised, action taken by council is recorded in the minutes.
8	We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and. Where appropriate, have included them in the accounting statements.	<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>	YES – no matters were raised during the internal audit visits.
9	Trust funds including charitable – In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/asset(s), including financial reporting and, if required, independent examination or audit.	<i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>	N/A – the council has no trusts.

Section 2 – Accounting Statements

Agar Box Number		2019/20	2020/21	Auditor Notes
1	Balances brought forward	466,245	502,377	Agrees to prior year cfwd
2	Precept or Rates and Levies	643,778	711,154	Agrees to third party evidence provided to auditor
3	Total other receipts	701,518	263,113	Agrees to underlying records
4	Staff costs	332,670	385,471	Agrees to underlying records
5	Loan interest/capital repayments	59,753	77,703	Agreed no loans
6	All other Payments	916,741	493,969	Agrees to underlying records
7	Balances carried forward	502,377	519,501	Casts correctly agrees

8	Total value of cash and short term investments	492,368	507,787	Agrees to reconciliation
9	Total fixed assets plus long term investments and assets	1,977,504	1,977,504	Agrees to register
10	Total borrowings	1,476,881	1,446,469	Agrees to PWLB statement

11	For Local Councils Only) Disclosure note re Trust funds (including charitable)	YES	NO	No trusts
			✓	

The 2021 year-end accounts have been correctly prepared on the income & expenditure basis with the box 7 & 8 reconciliation properly completed.

The AGAR correctly casts and cross casts and the comparatives have been correctly copied over from the prior years

The variance analysis is required because there were variances greater than 15% and £200. This was properly prepared on a summary table basis showing the financial elements and explanatory narrative.

The council had made provision within its schedule of meetings to sign off the annual governance statement.

Section Conclusion

I am of the opinion the control objective of "Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.", has been met.

K. LIMITED ASSURANCE REVIEW (INTERIM & FINAL AUDIT)**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2019/20, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2019/20 AGAR tick “not covered”)

Not applicable

L: TRANSPARENCY (INTERIM & FINAL AUDIT)**Internal audit requirement**

If the authority has an annual turnover not exceeding £25,000, it publishes information on a website/ webpage up to date.

Not applicable

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority, during the previous year (2020-21) correctly provided for the period for the exercise of public rights as required by the Accounts and Audit Regulations (evidenced by the notice published on the website and/or authority approved minutes confirming the dates set).

Recommended Minimum Testing

- IAs should acquire / examine a copy of the required “Public Notice” ensuring that it clearly identifies the statutory 30 working day period when the Authority’s records are available for public inspection.
- IAs may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

The Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015 require that the statement of accounts prepared by the authority (i.e. the Annual Governance & Accountability Return (AGAR) Part 2), the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records must be made available for inspection by any person interested, during a period of 30 working days set by the smaller authority and including the first 10 working days of July.

Inspection - Key date	2020/21 Actual	
Accounts approved at full council	22 nd April 2021	
Date Inspection Notice Issued and how published	11 th June 2021	
Inspection period begins	14 th June 2021	
Inspection period ends	23 rd July 2021	
Correct length	yes	
Common period included?	yes	
Summary of rights document on website?	Attached to inspection announcement	

Section Conclusion

I am of the opinion that the control assertion of *“The authority, during the previous year (2019-20) correctly provided for the period for the exercise of public rights as required by the Accounts and Audit Regulations (evidenced by the notice published on the website and/or authority approved minutes confirming the dates set):”* has been met.

N. PUBLICATION REQUIREMENTS (INTERIM & FINAL AUDIT)

Internal audit requirement

The authority has complied with the publication requirements for 2020/21 AGAR. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Recommended Minimum Testing

- IAs should acquire / examine a copy of the required "Public Notice" ensuring that it clearly identifies the statutory 30 working day period when the Authority's records are available for public inspection.
- IAs may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Before 1 July 2021 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 - Annual Governance Statement 2020/21, approved and signed, page 4
- Section 2 - Accounting Statements 2020/21, approved and signed, page 5

Not later than 30 September 2021 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

I have reviewed the website and can confirm that the council has followed the regulations

Section Conclusion

I am of the opinion that the control assertion of "The authority has complied with the publication requirements for 2019/20 AGAR. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:" has been met.

O. TRUSTEESHIP (INTERIM AUDIT)

Internal audit requirement

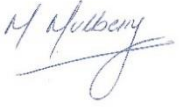

Trust funds (including charitable) – The council met its responsibilities as a trustee.

No trusts.

Should you have any queries please do not hesitate to contact me.

Kind regards

Yours sincerely

A handwritten signature in black ink, appearing to read 'M Mulberry', with a long horizontal flourish extending from the end of the signature.

Mark Mulberry

Interim Audit - Points Forward

Audit Point	Audit Findings	Council comments
Quotes and Estimates	In reviewing the minutes of JBC and JTC we agreed with the clerk and the RFO that where there are instances of council reviewing and accepting quotes and or tenders for work, there should be processes in place to ensure the minutes show where applicable a “resolution to accept or approve” so it is clear beyond reasonable doubt that council is making the necessary decisions based on the evidence presented.

Godalming Town Council: Audit Committee | Risk Assessments

Major Risk Area: Health and Safety

Risk Area Summary:

That an accident/incident occurs that demonstrates that the Town Council has breached Health & Safety legislation or has in some other respect been negligent. (note that this analysis of risk is difference from risk assessments undertaken in fulfilment of Health & Safety legislation).

Risk Description (What Could Happen?)	Impact	Scenario Description (How Could it Happen?)	Likelihood	Control Measure(s)	Action(s) (Inc. Who and When)
That the breach is so significant that a death or serious injury arises and that the Council and/or one of its officers faces prosecution (in the worst case for Corporate Manslaughter)	H	Numerous scenarios– but likely to involve fire or failure of part of premises or equipment therein. Or, trip/fall, toppled memorial, or collapsed grave in a cemetery. Or, road traffic accident on a parade. Or, assault on member of staff while lone-working	L	<ul style="list-style-type: none"> • Have and, regularly review a Health & Safety Policy Statement and supporting Policies – including lone-working policy • Risk Assessments for all events and activities and action taken as a result of risk assessments • Regular review of Risk Assessments and action taken • Consider whether there is anything that we do not have a risk assessment for that we should have • Regular and documented inspection regime (i.e. checklist of questions e.g. fire exits clear, does fire alarm, emergency lighting work etc.) • Regular and specific training for staff • Training for Members • Undertake regular condition surveys of buildings and all statutory tests • Use reputable and qualified contractors and ensure they provide relevant certification for electrical and gas work. • Obtain Contractor’s safety plan for longer contracts • Maintain adequate insurance 	Review of Health & Safety Policies –to be undertaken by Staffing committee as most relate to staff. (Continuous/Regular review) Fire Safety Risk Assessments <i>(WNC Fire Risk Assessment attached)</i> (Continuous/Regular review) Review of training needs for staff via annual Appraisal scheme and - Town Clerk to assess on the commencement of new staff. (Continuous/Regular review)

Risk Description (What Could Happen?)	Impact	Scenario Description (How Could it Happen?)	Likelihood	Control Measure(s)	Action(s) (Inc. Who and When)
<p>That an injury (or damage to property) occurs on our premises or at one of our events that results in a claim against the Council alleging our negligence. And, that claim cannot adequately be defended.</p>	<p>M</p>	<ul style="list-style-type: none"> As above 	<p>L</p>	<ul style="list-style-type: none"> As above 	<p>Make sure safety plan is in place for each of the properties and that they are updated regularly. (Continuous/Regular review)</p> <p>Report any obvious gaps that cannot be rectified due to resources etc to Chairmen or committee asap so that remedial action may be taken. (Ad hoc/As required)</p>
<p>That the injury referred to above is caused to a member of staff and arises over a prolonged period of time.</p>	<p>M</p>	<p>Injury may be physical (e.g. repetitive strain injury) or psychological (e.g. work-related stress)</p>	<p>L/M</p>	<ul style="list-style-type: none"> Regular workstation and work place risk assessments – with specific review each time something changes Members' Health & Safety Training 	<p>Town Clerk to arrange training sessions:</p> <ul style="list-style-type: none"> Workstation assessments Manual handling <p>(Every two years)</p> <p>All GTC full time staff have had fire safety training. (Ad Hoc / As Required)</p> <p>Health & Safety Training for Members to be arranged as part of the above by the Town Clerk (Ad Hoc / As Required)</p>

Risk Description (What Could Happen?)	Impact	Scenario Description (How Could it Happen?)	Likelihood	Control Measure(s)	Action(s) (Inc. Who and When)
That a death, serious injury or near miss occurs in circumstances that would not necessarily lead to a prosecution but that it is not reported properly under RIDDOR	H	Ignorance of the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR), leading to an omission or delay in reporting an incident. Likely to occur if an accident happens when a member of Town Council staff is not present e.g. on our premises during a hiring or at a council organised event where no staff present. Note likelihood of an incident needing a RIDDOR report is very low; likelihood of a failure to make such a report in a timely manner is higher.	L	<ul style="list-style-type: none"> • Clarity in all hire agreements about the need to report any incident arising during a hire • All hirers need to have GTC contact details so that they can report an incident. • Staff and Members' Health & Safety Training 	Training needs reviewed after staff Appraisals and when new staff are appointed - Town Clerk to review on an annual basis. (Post appraisal/As required) Health & Safety Training for Members Town Clerk to arrange. (Ad hoc/As required)
That an injury occurs on our premises (not as the result of a failure of ours) but a claim against the Council arises because of the inadequacy of the hirer's insurance.	M	That a user of our premises has inadequate public or employers' liability insurance.	L	<ul style="list-style-type: none"> • Ensure insurance certificates of all users are checked and copies kept • Ensure that all officers are advised that there is a process for accidents. That there is an accident log for all incidents regardless of how minor they may be. This should be completed and forwarded to TC to be retained in a locked drawer. 	GTC require regular users to indemnify GTC against claims made by their customers. Some do this via holding their own Public Liability insurance, but some assess the risk as low and do not. WNC & BWP regular users were reminded of requirement to indemnify in 2017. No issues have been identified. Hire Agreements (where the requirement for Indemnity resides) were reviewed for all centres and reissued as required). (Ad hoc/As required)

Section 1 – Annual Governance Statement 2021/22

We acknowledge as the members of:

ENTER NAME OF AUTHORITY

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2022, that:

	Agreed		'Yes' means that this authority:
	Yes	No*	
1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.			<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>
2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.			<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>
3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.			<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>
4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.			<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>
5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.			<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>
6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.			<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>
7. We took appropriate action on all matters raised in reports from internal and external audit.			<i>responded to matters brought to its attention by internal and external audit.</i>
8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.			<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>
9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.	Yes	No	N/A <i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>

*Please provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.

This Annual Governance Statement was approved at a meeting of the authority on:

DD/MM/YY

COMMUNITY INFRASTRUCTURE LEVY

Financial Year Ended 31 March 2022

A Local Council must use Community Infrastructure Levy (CIL) receipts passed to it to support the development of the local council's area, by funding:

- a) The provision, improvement, replacement, operation or maintenance of infrastructure; or
- b) Anything else that is concerned with addressing the demands that development places on an area.

The local council will be required to publish the following report on its website and on the website of the Borough Council.

The report should be published no later than 31 December following the reported year.

Regulation 121B Reference	Description	Amount
2(a)	Total CIL receipts for the reported year	£174,960.65
2(b)	Total CIL expenditure for the reported year	£NIL
2(c)	Summary details of CIL expenditure during the reported year including: (i) The items to which CIL has been applied (ii) The amount of CIL expenditure on each item	£NIL
2(d)	Details of any notices received in accordance with regulation 59E*, including: (i) The total value of CIL receipts subject to notices served in accordance with regulation 59E during the reported year (ii) The total value of CIL receipts subject to a notice served in accordance with regulation 59E in any year that has not been paid to the relevant charging authority by the end of the reported year	NONE
2(e)(i)	The total amount of CIL receipts for the reported year retained at the end of the reported year	£174,960.65
2(e)(ii)	The total amount of CIL receipts from previous years retained at the end of the reported year	£41,603.97

*Regulation 59E – Recovery of CIL passed to Local Councils. This will apply where a Local Council has not spent its CIL in accordance with the CIL Regulations or has not spent CIL within 5 years of its receipt.

Godalming Neighbourhood Community Infrastructure Levy Funding - Terms and Conditions

Award of Funding

1. The offer of funding as set out in the offer letter attached to these terms and conditions ('the Offer Letter'), from the Godalming Neighbourhood Community Infrastructure Levy (CIL) fund, is subject to the applicant's acceptance of the offer, these terms and conditions and the requirements set out in the Offer Letter
2. Any award must be used exclusively for the delivery of the project as set out in the application form annexed to the Offer Letter and in the Offer Letter itself ('the Project'). The Project must be carried out and completed to the standard and specification stated within the attached application form.
3. If the Applicant fails to comply with any of these terms and conditions, Godalming Town Council ('the Council') may withhold, vary, terminate, or require any or all the CIL award to be repaid.
4. The CIL funding will be conditional upon the applicant obtaining any necessary building regulations and/or planning permission and any other consents or permissions as may be required.
5. The CIL funding is a one-off payment and will not result in any future revenue commitment by the Council. The Council will not be responsible for any future maintenance, revenue liability or ongoing funding related to the application.
6. There is no right of appeal against an award, refusal, or withdrawal of CIL funding.

Starting the Project

7. The Project must commence within the period stated in the Offer Letter. If this is not possible, the applicant must inform the Council in writing of when they will start the project and the reason for the delay. Commencement is defined as when the works relating to the delivery of the Project materially begin.
8. Works already completed or expenditure incurred prior to the Applicant's acceptance of the offer, these terms and conditions and the Offer Letter will not be funded.

Approved Projects for CIL Funding

9. The works that are the subject of the CIL funding must be carried out strictly in accordance with the details as described in the attached application form and in accordance with these terms and conditions and any requirements contained within the Offer Letter.
10. The Council reserves the right to carry out independent financial checks where appropriate and may withdraw the offer at its sole discretion if it considers the public funds would be put at risk.

11. If the applicant finds it impracticable to carry out the work in accordance with what was approved, then changes must only be made after written approval has been given by the Council. Failure to do so may result in the withdrawal or withholding of the funding or requirement to repay any sums already provided by the Council.
12. The applicant must provide a written statement, or an appropriate certificate of completion and the Council must be satisfied that the work has been carried out in accordance with the attached application form before payment(s) of the funding as set out in the offer letter will be made.
13. Following the completion of the Project, an on-site inspection will be undertaken by officers of the Council or their nominated representatives. Please note that the Council inspection will not constitute a guarantee that the work has been carried out to a satisfactory standard (as this remains your responsibility). All work will be inspected on site by the Council to check that the work carried out is as described in the application form and in accordance with the details in the Offer Letter.

Payment of funding

14. Payment(s) will only be made after submission of verifiable invoices/receipts, interim or final valuation certificates as appropriate. The original invoices/receipts/valuation certificates need to be submitted to the Council (original documents will be returned).
15. The Council will only make payments to a bank account in the name of the applicant organisation. As part of the acceptance of the offer of funding you will need to provide the bank account details including the sort code, account number and name on the account.
16. The award of funding contained in the Offer Letter is the maximum CIL funding awarded to this scheme. If the Project cost is lower than the amount stated in the attached application form, unspent monies cannot be used on matters not included as part of the application (if in doubt please contact the Town Clerk for written approval prior to expenditure). If the total Project cost is lower than amount stated in the attached application form, there will be a pro rata reduction in CIL funding.
17. There will be no obligation on the Council to increase its offer in the event of cost increases on eligible work. Any additional funding will be at the discretion of the Council and will only be considered in exceptional circumstances.

Recovery of Payment

18. The applicant warrants to notify the Council as soon as reasonably possible if it receives or is due to receive funding for the Project from another source.
19. If the applicant receives funding from a third party either during the delivery or after completion of the Project, the Council reserves the right to recover that amount of funding from the applicant.
20. If the Project does not comply with the delivery timetable stated within the application form and Offer Letter, the Council reserves the right to revoke or recover the amount of the funding, or such other amount as it considers reasonable.

Compliance and Insurance

21. The applicant must ensure compliance with all regulations and legislation relating to the project including equality, sustainability and health and safety.
22. The applicant must ensure appropriate and sufficient insurance cover, including public liability and employer liability applicable to the project.

Communication & Monitoring

23. The Applicant must maintain regular communication with the Council following the acceptance of the offer, these terms and conditions and the Offer Letter. The Applicant should provide regular updates and information on the project until it has been completed.
24. Upon request of the Council, the applicant must provide an annual return with information on the progress of the Project. This will ensure the Council is able to fulfil its monitoring requirements under the CIL Regulations 2010 (as amended).

Publicity for the Project

25. The applicant must publicise the support of the Council in relation to this Project, details will be discussed and agreed with the Applicant or form part of the Offer Letter.
26. The Council reserves the right to use images of the project resulting from the award of the CIL funding as part of any publicity material that it may wish (subject to GDPR and Safeguarding requirements).

Varying the Terms and Conditions

27. The Council reserves the right to vary these terms and conditions. Such a right will be exercised by the Council acting reasonably.

Dear Mr Catchpole,

Offer Letter of Godalming Neighbourhood CIL Funding

I am pleased to be able to inform you that Godalming Neighbourhood Community Infrastructure Levy (CIL) funding has been awarded for the project considered by the Council on 28 April 2022.

Funding of £60,000 is awarded to Busbridge C of E (Aided) Junior School in support of Phase 1 of the Multi-Use Games Area (MUGA) project as set out in the application form submitted by the school dated 16 March 2022 .

A specific requirement of this funding offer is that the Governors of Busbridge C of E (Aided) Junior School agree, as far as is reasonably practicable, to make the MUGA available for use/hire out of school hours for a minimum of 38 hours per week averaged over a 12-month period by groups and organisations other than Busbridge C of E (Aided) Junior School or those providing activities for exclusive use of pupils of the school. A record of use of the MUGA by external organisations, showing the total number of hours of use and income generated is to be maintained by the management of the school and an anonymised summary of use is to be provided to the Council 12 months following the completion of the project and thereafter, during the lifespan of the MUGA, within 14 days upon any future request of the Council.

Please see attached a copy of the terms and conditions for the funding, which you will need to accept and return to office@godalming-tc.gov.uk as a requirement for the approval of funding. Please do not commence work on the elements of the project for which funding has been granted until the terms and conditions and this offer letter have been reviewed and the signed acceptance of funding returned.

Should you accept the offer, the project should commence within 12 months of the final confirmation of funding. Commencement is defined as when the works regarding the infrastructure construction or improvement begin at the relevant site. If you are unable to start the project within this timeframe, please write to the Council using the contact details contained within this letter. The Council will then consider either a revised timetable or the possible withdrawal of the CIL offer for this project.

The Council is prepared to provide staged payments in line with the contractual agreement of the appointed principal contractor. A verifiable copy of the contracted payment terms must be provided to the Council.

On completion you are required to provide confirmation that the project has been completed to the Council's satisfaction and where appropriate a building control completion certificate.

Please sign and return one copy of this letter as your acceptance of the Terms and Conditions.

If you have any queries, please do not hesitate to contact the CIL Team by email, office@godalming-tc.gov.uk or by telephone 01483 523575.

Yours Sincerely

Andrew Jeffery
Town Clerk

DRAFT

GODALMING TOWN COUNCIL

Disclosure by a Member¹ of a disclosable pecuniary interest or a non-pecuniary interest in a matter under consideration at a meeting (S.31 (4) Localism Act 2011 and the adopted Godalming Members' Code of Conduct).
