#### **Recommendations:**

- a. Full Council to resolve to authorise the signing of the attached SLA between Godalming Town Council and The Wharf Nursery for the period 1 April 2024 to 31 March 2028.
- b. Full Council to resolve to agree expenditure of £12,000 at a rate of £3,000 per annum in support of a Service Level Agreement between Godalming Town Council and The Wharf Nursery for the period 1 April 2024 to 31 March 2028.
- c. Full Council to resolve to authorise the signing of the attached SLA between Godalming Town Council and The Farncombe Day Centre for the period 1 April 2024 to 31 March 2028.
- d. Full Council to resolve to agree expenditure of £30,000 at a rate of £7,500 per annum in support of a Service Level Agreement between Godalming Town Council and The Farncombe Day Centre for the period 1 April 2024 to 31 March 2028
- e. Full Council to resolve to authorise the signing of the attached SLA between Godalming Town Council and Citizens' Advice South-West Surrey for the period 1 April 2024 to 31 March 2028.
- f. Full Council to resolve to agree expenditure of £140,000 at a rate of £35,000 per annum in support of a Service Level Agreement between Godalming Town Council and Citizens' Advice South-West Surrey for the period 1 April 2024 to 31 March 2028.

Members of the Policy & Management Committee approved the draft SLA (attached for the information of Members) for The Wharf Nursery and, subject to acceptance of terms by the service provider, recommend Full Council authorises the Town Clerk to sign the SLA on behalf of Godalming Town Council, which provides £3,000 pa financial support from 1 April 2024 to 31 March 2028. The Service Provider has indicated acceptance of the terms of the SLA.

Members of the Policy & Management Committee approved the draft SLA (attached for the information of Members) for the Farncombe Day Centre and, subject to acceptance of terms by the service provider, recommend Full Council authorises the Town Clerk to sign the SLA on behalf of Godalming Town Council, which provides £7,500 pa financial support from 1 April 2024 to 31 March 2028. Following minor clarification regarding service provision during public holidays and Christmas shutdown period, the Service Provider indicated acceptance of the terms of the SLA.

Members of the Policy & Management Committee approved a draft SLA for the Citizens' Advice South-West Surrey and subject to acceptance of terms by the service provider, recommended Full Council authorises the Town Clerk to sign the SLA on behalf of Godalming Town Council, which provides £35,000 pa financial support from 1 April 2024 to 31 March 2028. Following further discussion with the service provider to clarify reporting and feedback requirements, an updated SLA is attached for Full Council approval.

Members of the Policy & Management Committee resolved to adjust the proposed revenue budget for 2024/25 to reflect an increase to the grants budget cost centre by an amount equal to the increased sum in the agreed SLA support and to adjust the non-SLA grants budget by CPI. Those increases are reflected in the budget proposal for 2024/25.

#### 10. 2023-24 NATIONAL SALARY AWARD – ITEM FOR DECISION

#### **Recommendations:**

- a) Members of the Staffing Committee resolved to recommend that Full Council approve the NJC negotiated National Salary Award.
- b) Members to authorise, that if received prior to the 14 December, the JNC settlement proposal be taken directly to Full Council.
- c) Members to the Staffing Committee resolved to recommend to Full Council that Full Council authorise that any settlement reached by the JNC that is equal to or less than that agreed by the NJC may be signed off for payment by the Town Clerk without the matter first being brought to a scheduled or Extraordinary meeting of the Full Council.

The National Joint Council for Local Government Services (NJC) has agreed the new pay scales for 2023-24 to be implemented from 1 April 2023. The 2023-24 National Salary Award does not provide for a single across the board percentage increase, but rather provides for a £1 per hour increase across the board up to scale point 43 and 3.88% above that point, this means that those on the lower pay scales receive the largest percentage increase. For GTC staff this provides a percentage increase range between 9.42% to 3.88%.

Members are asked to note that the pay award outlined above is only for those employed under NJC terms and conditions as set out in the 'Green Book'.

The Council's youth workers are employed under the terms and conditions governed by the JNC as set out in the 'Pink Book', whose annual settlement runs from September to August each year. Currently, settlement for those employed under JNC terms has not been reached. In order to avoid unnecessary delays in the payment of the pay award agreed for youth staff, Members are requested to approve that if the pay award for the youth staff is received before the next scheduled Full Council on 14 December, the Town Clerk is authorised to present the award directly to Full Council without first needing to convene a meeting of this committee.

Additionally, as the sign off of a pay award is a reserved matter for the Full Council, Members are also requested to recommend to Full Council on the 14 December that if the settlement for the youth staff has not by then been received, Full Council approved the payment of any settlement agreed so long as the settlement is of an equal or lesser amount than that agreed by the NJC, noting that if the JNC proposes a settlement above that agreed by the NJC the matter must come before Full Council in order for payment of the award to be approved.

#### 11. FOOTFALL COUNTERS

#### Recommendations:

- a) Members are requested to resolve to agree to fund the provision of footfall data collection for the period 28 January 2024 to 31 March 2024 at a cost of £596.17.
- b) Additionally, Members are requested to resolve to approve, if necessary and having gained the agreement of the BID board for GTC to be refunded the costs involved, the funding of an additional two months of data collection to allow the

# BID board to set up its banking arrangements and determine how it wishes to proceed with footfall data collection.

Members will be aware that Waverley Borough Council has supported the provision of a footfall counter in Godalming since 2021. Initial funding was provided via the Re-opening High Street Fund, with further funding provided from the WBC Economic Development Team.

Whilst the data from the footfall counters has been used by GTC, with weekly and monthly footfall data being posted to the GTC website for all businesses to be able to access, the expectation going forward is for the Godalming BID to fund the footfall counter monitoring so as to collect data in support of marketing and promotion of Godalming BID area. It is to be hoped that as GTC has provided data for all businesses to access, the BID will also provide open access to the data, which will allow GTC to continue to be able to use it to analyse the success of its events, the health of the primary retail centre and the traffic volumes along the High Street.

However, the current contract for data collection expires on 28 January 2024 and the BID does not come into being until 1 April 2024. In order to support the BID and provide it with an opportunity to make its own arrangements for future data collection, Members are requested to resolve to agree to fund the provision of footfall data collection for the period 28 January 2024 to 31 March 2024 at a cost of £596.17. Additionally, Members are requested to resolve to approve, if necessary and having gained the agreement of the BID board for GTC to be refunded the costs involved, the funding of an additional two months of data collection to allow the BID board to set up its banking arrangements and determine how it wishes to proceed with footfall data collection.

Members may wish to note that in November Godalming retail centre saw a 6.4% month on month increase in footfall with 13,421 more movements in Godalming High Street than in October 2023. This compares with a 6% decrease in footfall for the South-East region as a whole and 0.3% decrease across the country. Likewise, Godalming has seen year an onyear (a comparison of the same period in 2022 to 2023) increase of 1.4%, whereas the South East saw a decrease of 2.3% and the UK as a whole a decrease of 0.8%. Whilst footfall movements on their own do not reflect the health of the primary retail centre, they do indicate that an increasing number of people are currently visiting Godalming.

The same data can help GTC determine the success or otherwise of its main town centre events.

Event 2023	Date	Total Footfall	Change from same day previous week	Diff from 2022
Spring Festival	1 April 2023	16,572	+6,927	-1601
Town Show	3 June 2023	11,035	+827	-1963
Summer Food Festival	2 July 2023	17,967	+12,232	+4,916
Christmas Festival	25 Nov 2023	28,795	+19,023	+761

The data shows us that whilst the Spring Fair and the Town Show provided a boost to the primary retail centre, that boost was not as strong as in 2022. This could be, of course, for a number of reasons, including the cost-of-living crisis. Equally it could be an indicator that these events are either facing challenges from other events or maybe losing their appeal and may need to be refreshed. A further year of data would provide for better trend analysis. For the Summer Food Festival, it can be shown that combining it with the classic car show in 2023 was a success.

The Christmas Festival remains as popular as ever and generates the biggest week-on-week increase in footfall. However, whilst the year-on-year increase was only 761, the important data for the Christmas Festival is for the period between 16.00 and 17.00 when people are gathering for the lights switch-on. Data shows that in 2023 there were 5,118 movements past the counter at 16.00, this compares to 4,388 in 2021 and 4,748 in 2022, an increase of approx 16.5% in two years, or to put it into context, the equivalent of 14 fully-loaded 52-seater coaches worth of people arriving in town at about the same time.

# 12. REVISED ESTIMATES 2023/24 AND DRAFT BUDGET 2024/25 – ITEM FOR DECISION & NOTE

#### **Recommendations:**

- a. Members to resolve to approve the revised estimates for the financial year 2023/24.
- b. Members to resolve to approve the budget for the financial year 2024/25.
- c. Members to resolve to approve a precept requirement of £1,147,744 for the financial year 2024/25, which represents a band D increase of £7.97 per annum (7.36%) setting a band D equivalent at £116.35.
- d. Members to note budget forecast projections for period 2025/26 & 2026/27.

Members to consider a report (attached for the information of Members) from the Responsible Finance Officer. Members are requested to agree the revised estimates 2023/24 and draft budget 2024/25 and approve a precept of £1,147,744 for the financial year 2024/25, which represents a band D increase of £7.97 per annum (7.36%) setting a band D equivalent at £116.35.

Additionally, Members are requested to note the budget forecast projections for periods 2025/26 and 2026/27 which are based on Officers' understanding of the Council's potential future activities.

## 13. SCHEDULE OF MEETINGS – ITEM FOR DECISION

#### **Recommendation:**

Members to review and approve the Schedule of Meetings for the Local Government Year 2024/25 (attached for the information of Members).

# 14. STAYCATION LIVE 2023 – ITEM TO NOTE

Members to note that Staycation Live 2023 incurred an overall loss of £13,225. This is the first loss in 11 years resulting from the extreme wet weather that washed out the Saturday and caused the reduced attendance on the Sunday.

The Events Task & Finish Group will be meeting with the organising team at the beginning of January and will report to Policy & Management Committee with its recommendations for future events.

As per s5.3 of the agreement of 29 June (Min No 119-23 refers) to cover the loss and ensure suppliers are paid, the organising team's fee has been reduced by £2,645, with GTC covering the remaining £10,580 loss from the funds previously committed from the Emerging Projects reserve.

#### 15. AUTHORISATION OF THE CLERK

#### 12. BUDGET 2024/25

In preparation of the 2024/25 budget, known factors were applied such as the 2023/24 staff pay award and the newly negotiated SLA Grant agreements. This provided the initial base to which were added the costs of the decisions made by the council or its committees over the preceding year(s), such as the Capital Works Programme and the adoption of the Corporate Plan.

#### Reserves

Due to the transferring of the Godalming Joint Burial Committee into the Council, the balance of the revenue reserve as of 31 March 2024 is estimated to be £669,660. This is above recommended level of 50% of Precept.

The most significant Ear Marked reserve is the Community Infrastructure Levy reserve with a current balance of £314,358. Funds within this reserve must be spent on capital projects within five years of receipt. The Council has paid out four applications against this fund to date.

The second largest Ear Marked Reserve is for the maintenance of all the Council's Land & Property with an estimated balance at year end of £158,982. Given the Council has a portfolio of buildings insured for over £20 million, the RFO believes this reserve is insufficient and needs building up.
