

EMPLOYEE CODE OF CONDUCT
A Guide for the Town Council's Staff

1. OUTLINE OF THE CODE

1.1. Status of the Code

As a local government officer your conduct must be beyond reproach and you must do nothing that might give rise to the suspicion, however ill-founded, that you are in any way influenced by improper motives.

All employees of the Council are required to observe and uphold the standards of the code and all policies and procedures of the Council. This guidance will not cover every specific eventuality but the broad principles included in this document set standards for acceptable behaviour that should fit every eventuality.

1.2. Who Does the Code Apply to?

This code covers all employees of Godalming Town Council.

The standards set out here must also be followed by agency staff, temporary workers and internal contractors who carry out work on behalf of the Council.

1.3 Responsibility

All employees of the Council are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to councillors and fellow employees with impartiality.

All employees are encouraged, without fear of recrimination, to bring to the attention of the appropriate level of management or Members any impropriety or breach of procedure that comes to their attention.

Employees are encouraged to raise concerns in good faith and are protected from detriment or dismissal for making protected disclosures. See the Council's Whistleblowing Policy for further details.

1.4 Abuses of the Code

Employees who attempt to abuse this policy may face disciplinary action. The Council takes false or misleading accusations very seriously which may result in further action taken through the disciplinary procedure. This does not include ill-founded allegations that were made in good faith.

Employees have the right to fair disciplinary and grievance procedures, including the right to be accompanied and to appeal. Dismissal for asserting statutory rights is automatically unfair.

1.5 Publicising/Distribution of the Code

A copy of this code is issued to every employee, agency work or temporary staff who carry out work on behalf of the Council. A copy can also be viewed on the Council's website.

New employees will be informed of the existence of this code in their recruitment and induction information.

1.6 Reviewing the Code

The Council will keep the operation of this policy under review and will make such changes to the policy as deemed appropriate in the light of the experience of its application. Any such changes shall be made in consultation with staff.

1.7 Alternative Formats

Should you require a copy of this policy in any alternative format then a request should be submitted to the Town Clerk.

1.8 Further Information

If you require any further advice relating to this document, you should contact your line manager in the first instance. Policies and procedures referred to in this document can be found on the Town Council's website - www.godalming-tc.gov.uk

2. PROCEDURE

2.1 Equality and Diversity

All members of the local community, customers and other Council employees have a right to be treated with fairness and equity and the Council is committed to treating the people it serves or employs fairly, consistently and with respect, and is committed to eliminating discrimination, harassment, and victimisation, and to advancing equality of opportunity for all employees, in line with the Equality Act 2010 and ERA 2025.

All employees must ensure that they are familiar with and comply with policies relating to equality issues as agreed by the Council, e.g. the Council's Equality & Diversity Policy & Statement, in addition to the requirements of the law. This applies both in the delivery of Council services and in relation to its employment practices.

The Dignity at Work Policy defines standards of unacceptable behaviour for staff in relation to their work, identifying the responsibilities of both managers and individual employees.

Trade union equality representatives are entitled to reasonable time off and facilities for training and duties, as set out in ERA 2025.

2.2 Standards and Attitude

Employees must give the highest possible standard of service to the public and, where it is part of their duties, provide appropriate advice to elected Members and fellow employees with impartiality.

Employees must always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial delivery of services to all groups and people within that community according to the Council's policies.

In all cases, it is not enough to avoid actual impropriety, as public perceptions are very important. Employees should at all times avoid any appearance of improper conduct, which may give rise to suspicion.

2.3 Dress Code

All employees are required to be neat, clean and tidy whilst at work, whether working on the Council's premises or elsewhere. Dress should be appropriate to the work undertaken. For example, smart casual clothing is generally acceptable to wear on a day-to-day basis although formal office wear is sometime required for more formal work situations including at council meetings.

2.4 Confidentiality and Data Protection

All personal and sensitive information will be handled in accordance with the Data Protection Act 2018 and UK GDPR and all information and data must be handled sensitively and processed in accordance with the Council's Data Protection Policy. All employees owe a general duty of confidentiality to the Council, have a contractual obligation in relation to confidential information and are required to protect official information held in confidence.

Employees shall not divulge to any person (other than another member of staff or member of the Town Council that requires information for the performance of their duties), any information which the member of staff has obtained by reason of their employment to the Council, except where that information is anyway in the public domain by virtue of legislation or under the Council's Publication Scheme. In particular, no member of staff shall divulge personal information regarding any employee, person or contractor, having dealings with the Council and information relating to tenders or other such issues.

Under the General Data Protection Regulations, individuals have the right to see their own personal data held subject to the rights of confidentiality of any third parties involved in that information. Please see the Information & Data Protection Policy for further information.

2.5 Political Neutrality

Employees serve the Council as a whole. Employees must serve all elected Members. In addition, they must ensure that the individual rights of all elected Members are respected.

Subject to the Council's conventions, employees may also be required to advise political groups. They must do so in ways which do not compromise their political neutrality.

Employees must follow the lawfully expressed policies of the Council and must not allow their own personal or political opinions to interfere improperly with their work.

2.6 Relationships

2.6.1 Colleagues

Good working relationships between colleagues are essential. Officers should always treat their colleagues with dignity and respect. Attention is particularly drawn to the Council's Dignity at Work Policy, a copy of which should be issued alongside this Code of Conduct.

2.6.2 Councillors

Mutual respect between employees and councillors is essential for good local government. Whilst there will be a need to work closely with councillors, a professional and courteous relationship should be maintained at all times.

2.6.3 The Local Community and Service Users

Employees should always remember their responsibilities to the whole of the community they serve and ensure courteous, effective and impartial service delivery to all groups and individuals within that community in accordance with the policies of the Council.

2.6.4 Contractors

All relationships of a business or personal nature with external contractors or suppliers, or potential contractors or suppliers, must be declared to the Town Clerk at the earliest opportunity. Orders and contracts must be awarded in accordance with Council standing orders on merit and without discrimination. No special favour should be shown to businesses run by, for example, friends, partners or relatives.

2.6.5 The Press and the Media

All enquiries for information or comment on issues affecting the work of the Council must be referred to the Town Clerk.

Employees must not deal directly with the press or the media unless required to do so in the course of their work or they have been expressly authorised by the Town Clerk.

2.7 Tendering Procedures

Employees involved in a tendering process or who have any other official relationship with external contractors, must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.

If you are responsible for engaging or supervising contractors and have previously had, or currently have, a relationship in a private or domestic capacity with contractors, you must declare that relationship to the Town Clerk.

If you become privy to confidential information on tenders or costs relating either to internal or external contractors, you must not disclose that information to any unauthorised person.

All employees must ensure that no special favour is shown to current, or recent former, employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in any capacity.

At all times, employees dealing with Tenders and Contracts must ensure that they comply with the Council's Standing Orders and Financial Regulations with respect to Contracts.

2.8 Use of Financial Resources

Employees must ensure that public funds entrusted to them are used in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

All employees involved in financial activities and transactions on behalf of the Council, including budgetary control, payments of accounts, payments of salaries and wages, petty cash and orders for works, goods or services must do so in accordance with financial regulations.

Where employees have concerns over the lawfulness of certain action they should express such concerns to the Town Clerk.

2.9 Protection of the Council's Property

Employees must take all reasonable precautions to ensure that the Council's regalia, equipment and other property that is placed in their charge is kept safe and is protected from damage.

In the general interests of security in the Council's premises, employees should take care not to do anything that reduces the level of security. In particular, employees must ensure that doors and windows are shut and locked when leaving any premises and that any security alarms (if present) are set or that arrangements are in place for them to be set later. If an employee notices a potential lapse in security, they should bring it to the attention of the Facilities Supervisor or the Town Clerk.

All resources of the Council including equipment, stationery etc. are to be used for the Council's business and are not for personal use.

2.10 Information Technology

Use of IT equipment and facilities must be in accordance with the Council's Code of Conduct - IT Facilities.

2.11 Anti-Bribery – Hospitality, Gifts and Sponsorship

It is illegal to offer, promise, give, request, agree, receive or accept bribes (Bribery Act 2010). This includes accepting any gift or consideration as an inducement or reward for doing, or refraining from doing, anything in an official capacity or showing favour or disfavour to any person in an official capacity.

2.11.1 Gifts

In general, the Council does not believe that it is appropriate for employees to accept gifts from service users, suppliers or any other person or organisation with which the Council has (or might have) business connections. This is because it is important to ensure that no employee acts in any way that is inconsistent with the Council's objectives or with the integrity of the Council by accepting a gift in circumstances where it could influence, or be seen to influence, that employee's actions or decisions. Acceptance of gifts by employees may be viewed by the public with suspicion and may make the Council extremely vulnerable to criticism.

For your own protection, if anyone makes an approach to you which seems to you, or might seem to a third party, to be aimed at obtaining some form of preferential treatment, or in any suspicious circumstances in connection with a contract, you must report the matter to the Town Clerk, disclosing the fact of the gift, its nature and the identity of the sender.

Employees should not accept personal gifts from contractors and outside suppliers. The only exceptions to this rule are;

- a) small gifts of only token value often given by way of trade advertisements to a wide range of people, e.g. calendars, diaries, tape measures and similar articles of use in the workplace; or
- b) small gifts of only token value given on the conclusion of a courtesy visit, e.g. to a factory, trade fair or other premises.

Gifts which fall outside the definition above should be politely refused and the Council's policy on the acceptance of gifts should be explained.

If a gift is delivered to the office without prior warning, unless it falls within the scope of acceptable gifts the gift should be returned, or if the return of the gift would cause offence the item should be donated to the Mayor's Charity.

2.11.2 Hospitality

Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the Council in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the Council should be seen to be represented. They should be authorised by the Town Clerk, in advance whenever possible.

When receiving authorised hospitality employees should be particularly sensitive as to its timing in relation to decisions which the Council may be taking affecting those providing the hospitality.

When hospitality must be declined, those making the offer should be courteously but firmly informed of the procedures and standards operating within Godalming Town Council.

2.11.3 Register of Hospitality and Gifts

All hospitality offered, whether it is accepted or not, and all gifts offered or received, whether they are accepted or returned, must be entered in the Register of Hospitality and Gifts and a note made of the action taken.

If you have any doubt about a gift or offer of hospitality, please seek advice from the Town Clerk.

2.11.4 Sponsorship – Giving and Receiving

Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Care must be taken when dealing with contractors or potential contractors.

Where the Council wishes to sponsor an event or service, neither an employee nor any partner/civil partner, spouse nor relative must benefit from such sponsorship in a direct way without there being full disclosure to the Town Clerk of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

3.0 APPOINTMENTS AND OTHER EMPLOYMENT MATTERS

3.1 Appointments

If an employee wishes to recommend an individual for employment, they must notify the Town Clerk. Any potential candidate for employment by the Council recommended by an existing employee will be assessed equally alongside all other candidates. Employees shall not canvass any Member or other employee of the Council in respect of candidates seeking employment with the Council.

Employees shall disclose to the Town Clerk any close relationship (partner or family member) between themselves and any person who they know is a candidate for employment with the Council. (The Town Clerk shall make any such disclosure to the Chair of the Staffing Committee.)

To avoid accusations of bias, employees must not be involved with appointments where they are related to any applicant or otherwise have a close personal relationship with them.

Employees who are involved in appointments must ensure that these are made on merit and on a non-discriminatory basis.

3.2 Outside Commitments

Any employee who wishes to take another job must, before commencing the second job, request and be granted written permission from the Town Clerk. The Council does not prohibit employees from taking secondary employment and will not unreasonably withhold permission for an employee to work in a second job, provided that the second job does not interfere, and is not likely to interfere, with the performance of the employee's job with the Council.

You should not partake in any outside interests, voluntary activity or work that are in conflict with the work of the Council. If you are in any doubt whatsoever that any outside activities or employment might be detrimental to the Council's interests, you must discuss the matter with the Town Clerk.

3.3 Personal Interests

You must declare, in writing, to the Town Clerk any financial or non-financial interests which could bring about conflict with the Council's interests. If you are in any doubt about a potential conflict of interest, you should bring the matter to the attention of your line manager so that a decision can be made as to how best to proceed. You must not make or become involved with any official or professional decisions about matters in which you have a personal interest.

You must declare to the Town Clerk membership of any organisation not open to the public, requiring any commitment of allegiance, or which has secrecy about rules or membership or conduct, for example, the Freemasons. The Town Clerk must make any declarations required by this paragraph, in writing, to the Chair of the Staffing Committee.

3.4 Use of Non-financial Council Resources for Personal Purposes

You should not use or abuse the Council's equipment and other resources for your own personal purposes, either at home or at the office, regardless of whether such use is for your personal gain.

However, in certain circumstances and with the prior agreement of the Town Clerk, it may be possible for you to make reasonable use of the Council's resources. In such a case, the Council will make an appropriate charge for the use of its resources, for example, photocopying.
